issued as fully registered obligations, without coupons, shall be dated as provided in

SECTION 4: DELEGATION OF AUTHORITY TO PRICING
OFFICER.

(a) As authorized by Chapter 1371, Texas Government Code, the City
Manager, Chief Financial Officer or City Treasurer of the City (any of them, the
“Pricing Officer”) is authorized to act on behalf of the City in selling and delivering
the Bonds and carrying out the other procedures specified in the Sixteenth
Supplement, including determining the aggregate principal amount of the Bonds, the
date of the Bonds, any additional or different designation or title by which the Bonds
shall be known, the price at which the Bonds will be sold, the years in which the
Bonds will mature, the principal amount to mature in each of such years, the rate of
interest to be borne by each such maturity, the first interest payment date, the price
and terms upon and at which the Bonds shall be subject to redemption prior to
maturity at the option of the City, as well as any mandatory sinking fund redemption
provisions, the designation of a paying agent/registrar, the terms of any bond
insurance applicable to the Bonds, and all other matters relating to the issuance, sale,
and delivery of the Bonds all of which shall be specified in the Pricing Certificate,
provided that:

(i) the aggregate original principal amount of the Bonds shall not exceed
$470,000,000;

(ii) the true interest cost rate for the Bonds shall not exceed ____%; and

(iii) the maximum maturity for the Bonds shall not extend beyond
November 15, 2031.

The execution of the Pricing Certificate shall evidence the sale date of the
Bonds by the City to the Purchasers (defined in (b) of this Section).

(b) In establishing the aggregate principal amount of the Bonds, the Pricing
Officer shall establish an amount not exceeding the amount authorized in Subsection
(a)(i) above, which shall be sufficient in amount to provide for the purposes for
which the Bonds are authorized and to pay costs of issuing the Bonds. This
delegation shall expire if not exercised by the Pricing Officer within 180 days of the
date of adoption of the Sixteenth Supplement. The Bonds shall be sold by negotiated
sale to the underwriter(s) named in the Pricing Certificate (the “Purchasers”), at the
price and with and subject to the terms set forth in the Pricing Certificate. A finding
or determination made by the Pricing Officer acting under authority of this Sixteenth
Supplement with respect to all matters relating to the sale of the Bonds shall have the same force and effect as a finding or determination made by Council.

SECTION 5: TERMS OF PAYMENT; PAYING AGENT/REGISTRAR. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the Holders appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of the Paying Agent/Registrar for the Bonds shall be as provided in the Pricing Certificate. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the “Security Register”) shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided in the Sixteenth Supplement, in accordance with the terms and provisions of a “Paying Agent/Registrar Agreement,” substantially in the form attached as Exhibit A, and the reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Pricing Officer is authorized to execute and deliver the Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution or other entity qualified and authorized to serve in the capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice of the change to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or redemption of the Bonds, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated office provided in the Pricing Certificate (the “Designated Payment/Transfer Office”). Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date), and such interest shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder.
If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more maturities on a scheduled payment date, and for thirty (30) days following, a new record date for such interest payment for maturity or maturities (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of the maturity or maturities appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of any notice.

SECTION 6: REGISTRATION, TRANSFER, EXCHANGE OF BONDS; PREDECESSOR BONDS. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of the Sixteenth Supplement. Any Bond may, in accordance with its terms and the terms of the Sixteenth Supplement, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by the authorized agent of the person, upon surrender of the Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange executed by the Holder or by the authorized agent of the person, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 9 of the Sixteenth Supplement) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.
At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 9 of the Sixteenth Supplement) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery of such Bonds, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under the Sixteenth Supplement, as the Bonds surrendered in the transfer or exchange.

All transfers or exchanges of Bonds shall be made without expense or service charge to the Holder, except as otherwise provided in the Sixteenth Supplement, except that the Paying Agent/Registrar shall require payment by the Holder requesting the transfer or exchange of any tax or other governmental charges required to be paid with respect to the transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions of the Sixteenth Supplement are defined to be “Predecessor Bonds,” evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer. Additionally, the term “Predecessor Bonds” shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu of a mutilated, lost, destroyed or stolen Bond pursuant to Section 19 of the Sixteenth Supplement and the new replacement Bond shall be considered to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of the Bond; provided, however, a limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 7: BOOK-ENTRY-ONLY TRANSFERS AND TRANS-ACTIONS. Notwithstanding the provisions contained in Sections 5 and 6 of the
Sixteenth Supplement relating to the payment and transfer/exchange of the Bonds, the City approves and authorizes the use of “Book-Entry-Only” securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations, by and between the City and DTC (the “Depository Agreement”).

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold Bonds for its participants (the “DTC Participants”). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the “Beneficial Owners”) being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of Bonds shall be made in accordance with the provisions of Sections 5 and 6 of the Sixteenth Supplement.

SECTION 8: EXECUTION; REGISTRATION. The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed on the Bonds and countersigned by the City Clerk. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of adoption of the Sixteenth Supplement shall be deemed to be executed on behalf of the City, notwithstanding that any individual executing the Bonds shall cease to hold the named offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201.
No Bond shall be entitled to any right or benefit under the Sixteenth Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 10(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her authorized agent, or a certificate of registration substantially in the form provided in Section 10(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond signed shall be conclusive evidence, and the only evidence, that the Bond has been certified, registered and delivered.

SECTION 9: INITIAL BOND(S). The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount specified in the Pricing Certificate with principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the “Initial Bond(s)”). In either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or their designee. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or their designee, shall cancel the Initial Bond(s) delivered and exchange for the Initial Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for the Holders; all pursuant to and in accordance with the written instructions from the initial purchaser(s), or their designee, and any other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 10: FORMS.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with appropriate insertions, omissions, substitutions, and other variations as are permitted or required by the Sixteenth Supplement and the Pricing Certificate, and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers
Association) and such legends and endorsements (including insurance legends if the
Bonds, or any maturities of the Bonds, are purchased with insurance and any
reproduction of an opinion of counsel) on such Bonds as may, consistently with the
provisions of the Sixteenth Supplement, be established by the City or determined by
the Pricing Officer or officers executing such Bonds as evidenced by their execution
of such Bonds. The Pricing Certificate shall set forth the final and controlling terms
of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse
of the Bond, with an appropriate reference on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, or
engraved, typewritten, photocopied or otherwise reproduced in any other similar
manner, all as determined by the officers executing the Bonds as evidenced by their
execution of the Bonds.

Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Sixteenth Supplement) whose name appears on the “Security Register” maintained by the Paying Agent/Registrar at the close of business on the “Record Date”, which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the Registered Owner and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of $____________ (“Bonds”) for the purpose of improving and extending the City’s Electric Utility System and paying costs of issuance, in conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapter 1502, and pursuant to a Master Ordinance and Sixteenth Supplement adopted by the City Council of the City, together with the Pricing Certificate executed pursuant thereto (collectively referred to as the “Ordinances”).
[The Bonds maturing on the dates identified below (the “Term Bonds”) are subject to mandatory redemption prior to maturity with funds on deposit in the Debt Service Fund established and maintained for the payment of such Bonds in the Ordinances, and shall be redeemed in part prior to maturity at the price of par and accrued interest on such Bonds to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

*maturity

The particular Term Bonds of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like stated maturity which, at least 50 days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not previously credited against a mandatory redemption requirement.]

The Bonds maturing on and after __________15, 20__, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of $5,000 or any integral multiple of $5,000 (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on__________________ 15, 20__ or on any date thereafter at the redemption price of par plus accrued interest to the redemption date.

At least 30 days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions contained in the Ordinances. If a Bond (or any portion of its principal sum) shall have been called for redemption and notice of such redemption given, then upon
such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after said redemption date, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

If a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinances for the then unredeemed balance of the principal sum of such Bond or Bonds will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of such redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Paying Agent/Registrar on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from and, together with the Previously Issued Electric Utility Obligations and Prior Subordinate Lien Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Electric Utility System in the manner provided in the Ordinances. Additionally, the Bonds, together with the Previously Issued Electric Utility Obligations, shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or
the Electric Utility System, except with respect to the Net Revenues. The holder of
this Bond shall never have the right to demand payment of this obligation out of any
funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved
the right to issue additional revenue obligations payable from and equally and ratably
secured by a parity lien on and pledge of the Net Revenues of the Electric Utility
System, in the same manner and to the same extent as the Previously Issued Electric
Utility Obligations and the Bonds.

Reference is made to the Ordinances, copies of which are on file with the
Paying Agent/Registrar, and to all of the provisions of which the Holder by the
acceptance of this Bond assents, for definitions of terms; the description of and the
nature and extent of the security for the Bonds; the properties constituting the
Electric Utility System; the Net Revenues pledged to the payment of the principal of
and interest on the Bonds; the nature and extent and manner of enforcement of the
lien and pledge securing the payment of the Bonds; the terms and conditions for the
issuance of additional revenue obligations; the terms and conditions relating to the
transfer or exchange of this Bond; the conditions upon which the Ordinances may
be amended or supplemented with or without the consent of the Holders; the rights,
duties, and obligations of the City and the Paying Agent/Registrar; the terms and
provisions upon which the liens, pledges, charges and covenants made in the
Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond
deemed to be no longer Outstanding under the Ordinances; and for the other terms
and provisions contained in the Ordinances. Capitalized terms used in this Bond
have the same meanings assigned in the Ordinances.

This Bond, subject to certain limitations contained in the Ordinances, may be
transferred on the Security Register only upon its presentation and surrender at the
Designated Payment/Transfer Office of the Paying Agent/Registrar, with the
Assignment on this Bond endorsed by, or accompanied by a written instrument of
transfer in form satisfactory to the Paying Agent/Registrar executed by, the
Registered Owner, or the authorized agent of the Registered Owner. When a transfer
on the Security Register occurs, one or more new fully registered Bonds of the same
Stated Maturity, of authorized denominations, bearing the same rate of interest, and
of the same aggregate principal amount will be issued by the Paying Agent/Registrar
to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat
the registered owner of this Bond whose name appears on the Security Register (i)
on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on
the date of surrender of this Bond as the owner entitled to payment of principal of
this Bond at its Stated Maturity or its redemption, in whole or in part, and (iii) on
any other date as the owner for all other purposes, and neither the City nor the Paying
Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.
In the event of non-payment of interest on a scheduled payment date and for 30 days
after such event, a new record date for such interest payment (a “Special Record
Date”) will be established by the Paying Agent/Registrar, if and when funds for the
payment of such interest have been received from the City. Notice of the Special
Record Date and of the scheduled payment date of the past due interest (which shall
be 15 days after the Special Record Date) shall be sent at least five business days
prior to the Special Record Date by United States Mail, first class postage prepaid,
to the address of each Holder appearing on the Security Register at the close of
business on the last business day next preceding the date of mailing of such notice.

It is certified, recited, represented and covenanted that the City is an organized
and legally existing municipal corporation under and by virtue of the Constitution
and laws of the State of Texas; that the issuance of the Bonds is authorized by law;
that all acts, conditions and things required to exist and be done precedent to and in
the issuance of the Bonds to render the same lawful and valid obligations of the City
have been properly done, have happened and have been performed in regular and
due time, form and manner as required by the Constitution and laws of the State of
Texas, and the Ordinances; that the Bonds do not exceed any constitutional or
statutory limitation; and that due provision has been made for the payment of the
Bonds by a pledge of the Net Revenues of the Electric Utility System. If any
provision in this Bond or any application of any provision of this Bond shall be
invalid, illegal, or unenforceable, the validity, legality, and enforceability of the
remaining provisions and applications shall not in any way be affected or impaired
by any such action. The terms and provisions of this Bond and the Ordinances shall
be construed in accordance with and shall be governed by the laws of the State of
Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond
to be executed under the official seal of the City.

registered owner and in any coin or currency of the United States of America which
at the time of payment is legal tender for the payment of public and private debts.

SECTION 11: CRITERIA FOR ISSUANCE OF PARITY ELECTRIC
UTILITY OBLIGATIONS. The City has provided certain criteria and established
certain covenants and agreements in relation to the issuance of Parity Electric Utility
Obligations of the Electric Utility System pursuant to the Master Ordinance. The
Sixteenth Supplement provides for the authorization, issuance, sale, delivery, form,
characteristics, provisions of payment and redemption, and security of the Bonds,
which are a series of Parity Electric Utility Obligations. The Master Ordinance is
incorporated by reference and made a part of the Sixteenth Supplement for all
purposes, except to the extent modified and supplemented by the Prior Supplements
and the Sixteenth Supplement, and the Bonds are Parity Electric Utility Obligations
under the Master Ordinance and the Prior Supplements. The City determines that it
will have sufficient funds to meet the financial obligations of the Electric Utility
System, including sufficient Net Revenues to pay the Annual Debt Service
Requirements of the Bonds and to meet all financial obligations of the City relating
to the Electric Utility System.

SECTION 12: PLEDGE. The Net Revenues of the Electric Utility System
are pledged to the payment of the Bonds, and the Bonds, together with the Prior
Subordinate Lien Obligations and the Previously Issued Electric Utility Obligations
currently Outstanding, shall be equally and ratably secured by a parity lien on and
pledge of the Net Revenues of the Electric Utility System in accordance with the
terms of the Master Ordinance and the Sixteenth Supplement. Additionally, the
Bonds and the Previously Issued Electric Utility Obligations shall be secured by a
lien on the funds, if any, deposited to the credit of the Debt Service Fund and the
Reserve Fund in accordance with and to the extent required by the terms of the
Master Ordinance, the Prior Supplements and the Sixteenth Supplement. The Bonds
are and will be secured by and payable only from the Net Revenues of the Electric
Utility System, and are not secured by or payable from a mortgage or deed of trust
on any properties, whether real, personal, or mixed, of the Electric Utility System.
Council ordains that the Parity Electric Utility Obligations, and the interest on the
Parity Electric Utility Obligations, shall constitute a lien on the Net Revenues of the
Electric Utility System and shall be valid and binding and fully perfected from and
after the date of adoption of the Sixteenth Supplement without physical delivery or
transfer or transfer of control of the Net Revenues, the filing of the Sixteenth
Supplement or any other act; all as provided in Texas Government Code, Chapter 1208. The owners of the Parity Electric Utility Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Sixteenth Supplement.

Texas Government Code, Chapter 1208, applies to the issuance of the Bonds and the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12, and this pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12 is to be subject to the filing requirements of Texas Business & Commerce Code, Chapter 9, then to preserve to the Registered Owners the perfection of the security interest in said pledge, the City agrees to take any measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business & Commerce Code, Chapter 9, and enable a filing to perfect the security interest in this pledge to occur.

SECTION 13: DEBT SERVICE FUND. By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City agrees and covenants to cause to be deposited to the credit of the Debt Service Fund an amount equal to 100% of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the initial purchaser.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided in the Sixteenth Supplement until (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Electric Utility Obligations then Outstanding or (ii) the Bonds are no longer outstanding, i.e., fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest, if any, received from the initial purchaser(s) of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Electric Utility System.
SECTION 14: RESERVE FUND.

(a) Establishment. A Reserve Fund shall not be required to be established or maintained by the City for the payment of the Parity Electric Utility Obligations so long as the “Pledged Net Revenues” of the System for a Fiscal Year (the Net Revenues of the System in a Fiscal Year remaining after deducting the amounts, if any, expended to pay the annual debt service requirements for Prior Subordinate Lien Obligations in such Fiscal Year) equal or exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations due and payable in such Fiscal Year. If for any Fiscal Year such “Pledged Net Revenues” do not exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations, the City shall be obligated to establish and maintain on the books of the City a separate fund or account designated as the “Electric Utility System Revenue Obligation Reserve Fund” (the “Reserve Fund”). Upon being established and except as provided in subsection (f) below, the amount on deposit to the credit of the Reserve Fund shall be maintained for the benefit of the owners of the Parity Electric Utility Obligations. There shall be deposited into the Reserve Fund any Reserve Fund Obligations so designated by the City. The amounts deposited to the credit of the Reserve Fund shall be in a special fund maintained at an official depository of the City. Reserve Fund Obligations in the Reserve Fund shall be used for the purpose of retiring the last of the Parity Electric Utility Obligations as they become due or paying principal of and interest on the Parity Electric Utility Obligations when and to the extent the amounts in the Debt Service Fund are insufficient for such purpose.

When a Reserve Fund is required to be established as noted above and while the same is required to be maintained, the Required Reserve Amount to be accumulated and maintained in such Fund shall be determined and redetermined as follows:

(i) 10% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 150% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 140% of the annual Debt Service Requirement for such Fiscal Year;

(ii) 20% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 140% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 130% of the annual Debt Service Requirement for such Fiscal Year;
(iii) 30% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 130% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 120% of the annual Debt Service Requirement for such Fiscal Year;

(iv) 40% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 120% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 110% of the annual Debt Service Requirement for such Fiscal Year;

(v) 50% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 110% of the annual Debt Service Requirement for such Fiscal Year;

If at any time the City is required to fund the Required Reserve Amount, or to increase the Required Reserve Amount pursuant to a Supplement, the Required Reserve Amount or increase in the Required Reserve Amount, as applicable, may be funded in up to 12 substantially equal consecutive monthly deposits commencing not later than the month following that receipt of audited financial statements for the System for the preceding Fiscal Year.

(b) Credit Facility. The City may initially fund the Reserve Fund or replace or substitute a Credit Facility for cash or Eligible Investments on deposit in the Reserve Fund or in substitution for or replacement of any existing Credit Facility. Upon such replacement or substitution, the cash or Eligible Investments on deposit in the Reserve Fund, taken together with the face amount of any existing Credit Facilities, in excess of the Required Reserve Amount may be withdrawn by the City, at its option, and transferred to the System Fund unless such excess was funded with the proceeds of sale of Parity Electric Utility Obligations in which case such excess shall be deposited to the credit of the Debt Service Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer.

(c) Priority of Draws. If the City is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the City shall promptly notify the issuer of the Credit Facility of the necessity for a withdrawal from the Reserve Fund, and shall make the withdrawal FIRST from available moneys and cash resulting from the sale or liquidation of Eligible Investments then
on deposit in the Reserve Fund, and NEXT from a drawing under any Credit Facility to the extent of the deficiency.

In the event of a draw on a Credit Facility, the City shall reimburse the issuer of the Credit Facility for such draw, in accordance with the terms of any agreement pursuant to which the Credit Facility is issued, from Net Revenues, however, such reimbursement from Net Revenues shall be subject to the provisions of Section 14(d) below and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Parity Electric Utility Obligations.

(d) Reserve Amount Deficiency. In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund Obligations, all in an aggregate amount at least equal to the Required Reserve Amount, then the City shall, subject to satisfying or making provision for the uses having a priority on the Gross Revenues before any deposits for the payment and security of the Parity Electric Utility Obligations and after making required deposits to the Debt Service Fund in accordance with the terms of the Sixteenth Supplement and any Supplement, cause the aggregate Required Reserve Amount then required to be on deposit in the Reserve Fund to be fully restored within 12 months from the date the deficiency, termination or expiration occurred by (i) making substantially equal cash deposits to the Reserve Fund on or before the last day of each month from the available Net Revenues, (ii) depositing Eligible Investments or Credit Facility to the credit of the Reserve Fund or (iii) a combination of (i) and (ii).

(e) Excess Required Reserve. As Parity Electric Utility Obligations secured by the Reserve Fund are paid, redeemed or defeased and cease to be Outstanding under the terms of the Ordinance or a Supplement, the Required Reserve Amount may be recalculated and redetermined, and any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Required Reserve Amount may be withdrawn and transferred, at the option of the City, to (i) the System Fund, if an amount equal to such excess was funded with Net Revenues, or (ii) the Debt Service Fund.

(f) Application to Commercial Paper/Credit Agreements. For the purpose of this Section, the Reserve Fund shall not secure Parity Electric Utility Obligations issued in the form of commercial paper, or any Credit Agreement issued in support of such Parity Electric Utility Obligations issued in the form of commercial paper, except as otherwise may be provided in any Supplement.
SECTION 15: PAYMENT OF BONDS. On or before the first scheduled interest payment date, and on or before each interest payment date and principal payment date after the first scheduled interest payment while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 16: RESERVED

SECTION 17: AMENDMENT OF SIXTEENTH SUPPLEMENT.

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Sixteenth Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Sixteenth Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Sixteenth Supplement so as to:

(1) Make any change in the maturity of any of the Outstanding Bonds;
(2) Reduce the rate of interest borne by any of the Outstanding Bonds;
(3) Reduce the amount of the principal payable on the Bonds;
(4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
(5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
(6) Amend this subsection (a) of this Section; or
(7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Sixteenth Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive
calendar weeks. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy is on file with the Paying Agent for the Bonds. Publication is not required, however, if notice in writing is given by mail, first class postage prepaid, to each owner of the Bonds.

(c)  **Time Period for Obtaining Consent.** If within one year from (i) the date of the first publication of notice or (ii) the date of the mailing by the Paying Agent of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy on file with each Paying Agent, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d)  **Revocation of Consent.** Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, a consent may be revoked by the owner who gave the consent, or by a successor in title, by filing written notice of revocation with the Paying Agent for such Bonds and the City, but a revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e)  **Implementation of Amendment.** Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, the Sixteenth Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under the Sixteenth Supplement and all the owners of then Outstanding Bonds shall be determined, exercised and enforced under the Sixteenth Supplement, subject in all respects to the amendment.

(f)  **Amendment without Consent.** The preceding provisions of this Section notwithstanding, the City by action of its governing body may amend the Sixteenth Supplement for any one or more of the following purposes:

   (1)  To vest the management and control of the Electric Utility System in an independent board of trustees or similar board pursuant
to authority conferred by Texas Government Code, Section 1502.070 et seq. or other law now or hereafter enacted;

(2) To add to the covenants and agreements of the City in the Sixteenth Supplement contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power in the Sixteenth Supplement reserved to or conferred upon the City;

(3) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in the Sixteenth Supplement, or in regard to clarifying matters or questions arising under the Sixteenth Supplement, as are necessary or desirable and not contrary to or inconsistent with the Sixteenth Supplement and which shall not adversely affect the interests of the owners of the Bonds then outstanding;

(4) To modify any of the provisions of the Sixteenth Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds outstanding at the date of the adoption of such modification shall cease to be outstanding;

(5) [Reserved];

(6) To make such changes, modifications or amendments as may be necessary or desirable to allow the owners of the Bonds to avail themselves of a book entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of the Sixteenth Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(7) To make any changes, modifications or amendments as may be necessary or desirable to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(8) To make any other changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest
rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of notice shall not constitute a condition precedent to the adoption of the amendatory ordinance and the failure to publish notice shall not adversely affect the implementation of such amendment as adopted pursuant to the amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to the Sixteenth Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy.

SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS. All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of the Sixteenth Supplement when payment of the principal of the Bonds, redemption premium, if any, on the Bonds, plus interest on the Bonds to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of the Bonds (including the giving of any required notice of redemption), or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which the deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At the time a Bond shall be deemed to be paid under this Sixteenth Supplement, it shall no longer be secured by or entitled to the benefit of the Sixteenth Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Electric Utility System, and shall be entitled to payment solely from the money or Government Obligations held by the Paying Agent/Registrar.
Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, and interest on the Bonds, with respect to which the money has been deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

Notwithstanding any other provisions of the Sixteenth Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, shall be applied to and used for the payment of those Bonds, the redemption premium, if any, and interest thereon and the income on such money or Government Obligations shall not be considered to be “Gross Revenues” under the Sixteenth Supplement.

SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. If any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for the Bond in the manner provided in this Section. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar security or indemnity as may be required by them to save each of them harmless from any loss, theft or damage with respect to any Bond being replaced. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of the Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of the Bond with all legal, printing, and other expenses in connection with its replacement. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be
found at any time, or be enforceable by anyone, and shall be entitled to all the
benefits of the Sixteenth Supplement equally and proportionately with any and all
other Bonds issued under the Sixteenth Supplement.

Notwithstanding the preceding provisions of this Section, if any Bond shall
have matured, and no default has occurred which is then continuing in the payment
of the principal of, redemption premium, if any, or interest on the Bond, the City
may authorize the payment of the same (without surrender thereof except in the case
of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided
security or indemnity is furnished as above provided in this Section. Furthermore,
in accordance with Texas Government Code, Section 1206.022, this Section shall
constitute authority for the issuance of any replacement bond without necessity of
further action by the governing body of the City or any other body or person, and
the duty of the replacement of such bonds is authorized and imposed upon the
Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and
deliver replacement bonds in the form and manner and with the effect, as provided
in Section 6 of the Sixteenth Supplement for Bonds issued in exchange for other
Bonds.

SECTION 20: SIXTEENTH SUPPLEMENT TO CONSTITUTE A
CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the
Bonds, the Sixteenth Supplement shall be deemed to be and shall constitute a
contract between the City and the Holders from time to time of the Bonds and the
pledge made in the Sixteenth Supplement by the City and the covenants and
agreements set forth in the Sixteenth Supplement to be performed by the City shall
be for the equal and proportionate benefit, security, and protection of all Holders,
without preference, priority, or distinction as to security or otherwise of any of the
Bonds over any of the others by reason of time of issuance, sale, or maturity of the
Bond or otherwise for any cause, except as expressly provided in or permitted by the
Sixteenth Supplement.

the time required by this Section.

(d) **Filings with the MSRB.** All financial information, operating data,
financial statements, notices, and other documents provided to the MSRB in
accordance with this Section shall be provided in an electronic format prescribed by
the MSRB and shall be accompanied by identifying information as prescribed by the
MSRB.

(e) **Limitations, Disclaimers, and Amendments.** The City shall be
obligated to observe and perform the covenants specified in this Section with respect
to the City and the Bonds while, but only while, the City remains an “obligated
person” with respect to the Bonds within the meaning of the Rule, except that the
City in any event will give the notice required by subsection (c) of this Section of
any Bond calls and defeasance that cause the City to be no longer such an “obligated
person.”

The provisions of this Section are for the sole benefit of the Holders and
beneficial owners of the Bonds, and nothing in this Section, express or implied, shall
give any benefit or any legal or equitable right, remedy, or claim to any other person.
The City undertakes to provide only the financial information, operating data,
financial statements, and notices which it has expressly agreed to provide pursuant
to this Section and does not undertake to provide any other information that may be
relevant or material to a complete presentation of the financial results, condition, or
prospects of the City or the State of Texas or undertake to update any information
provided in accordance with this Section or otherwise, except as expressly provided
in this Section. The City does not make any representation or warranty concerning
such information or its usefulness to a decision to invest in or sell Bonds at any future
date.

**UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE**
**HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER**
PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under the Sixteenth Supplement for purposes of any other provision of the Sixteenth Supplement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding any provisions in the Sixteenth Supplement to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of the amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Sixteenth Supplement that authorizes such an amendment) of the Outstanding Bonds consent to the amendment or (b) a Person that is unaffiliated with the City and the State of Texas (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City’s right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.
SECTION 22: REMEDY IN EVENT OF DEFAULT. In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that if the City (a) defaults in payments to be made to the Debt Service Fund as required by the Sixteenth Supplement or the Master Ordinance, (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Sixteenth Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Sixteenth Supplement or the Master Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

SECTION 23: SALE OF BONDS; OFFICIAL STATEMENT APPROVAL. 6. The details of the delivery of, and payment for, the Bonds;
(7) The Purchasers’ obligations under the Purchase Contract;

(12) The payment of any expenses relating to the Purchase Contract;
(13) Notices; and
(14) Any and all such other details that are found by the Pricing Officer to be necessary and advisable for the purchase and sale of the Bonds.

A Pricing Officer may execute the Purchase Contract for and on behalf of the City and as the act and deed of Council.

The Mayor and City Clerk of the City may manually or electronically execute and deliver for and on behalf of the City copies of a Preliminary Official Statement and Official Statement, prepared in connection with the offering of the Bonds by the Purchasers, in final form as may be required by the Purchasers, and the final Official Statement in the form and content as approved by the Pricing Officer or as manually or electronically executed by said officials shall be deemed to be approved by Council and constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 25: RESERVED.

SECTION 26: PROCEEDS OF SALE. Immediately following the delivery of the Bonds, proceeds of sale (less those proceeds of sale designated to pay costs of issuance, proceeds of sale designated to fund the Reserve Fund and any accrued interest received from the Purchasers of the Bonds) shall be deposited with all in accordance with written instructions from the City or its Financial Advisor. Accrued interest, if any, received from the Purchasers shall be deposited to the credit of the Debt Service Fund.
SECTION 27: CONTROL AND CUSTODY OF BONDS. The Chief Financial Officer of the City shall be and is authorized to take and have charge of all necessary orders and records pending the delivery of the Bonds, and shall take and have charge and control of the Initial Bond(s) pending the approval by the Attorney General, the registration by the Comptroller of Public Accounts and the delivery of the Initial Bond(s) to the Underwriters.

The obligation of the Underwriters to accept delivery of the Bonds is subject to being furnished a final opinion of Norton Rose Fulbright US LLP, Attorneys, approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds. A true and correct reproduction of said opinion may be printed on the definitive Bonds or an executed counterpart of the opinion shall accompany the global Bonds deposited with DTC.

SECTION 29: CUSIP NUMBERS. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality of the Bonds and neither the City nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 30: PAYMENT AND PERFORMANCE ON BUSINESS DAYS. Whenever under the terms of the Sixteenth Supplement or the Bonds, the performance date of any provision of the Sixteenth Supplement or the Bonds, including the payment of principal of or interest on the Bonds, shall occur on a day other than a Business Day, then the performance of such provision, including the payment of principal of and interest on the Bonds, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.
SECTION 31: LIMITATION OF BENEFITS WITH RESPECT TO THE SIXTEENTH SUPPLEMENT. With the exception of the rights or benefits expressly conferred in the Sixteenth Supplement, nothing expressed or contained in the Sixteenth Supplement or implied from the provisions of the Sixteenth Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the City, the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to the Sixteenth Supplement or any covenant, condition, stipulation, promise, agreement, or provision contained in the Sixteenth Supplement. The Sixteenth Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions of the Sixteenth Supplement are intended to be and shall be for and inure to the sole and exclusive benefit of the City, the Holders, and the Paying Agent/Registrar as provided in the Sixteenth Supplement and in the Bonds.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where the Sixteenth Supplement provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.
