

ORDINANCE AMENDMENT REVIEW SHEET

Amendment: Site Development Regulations for Mobile Home Parks

Description: Consider an ordinance amending Title 25 of the City Code to allow recreational vehicles in mobile home parks.

Proposed Language: See attached draft ordinance and background information.

Summary of proposed code amendment

- Amend Title 25 of the City Code to allow recreational vehicles in mobile home parks.
- Require that the mobile home parks comply with all applicable technical requirements for health and safety.

Background: Initiated by City Council Resolution 20180920-096

On September 20, 2018, the City Council adopted a resolution that initiated zoning, rezoning and where appropriate future land use map amendments for properties currently being used as a mobile home residence park or a mobile home subdivision, but not zoned mobile home residence (MH) district. The resolution also initiated City Code Title 25 amendments, as necessary, to implement the zoning changes. Because there are several mobile home parks that currently contain recreational vehicles, the proposed code amendment would allow recreational vehicles in mobile home parks.

Staff Recommendation: Staff recommends the proposed code amendment.
