ZONING CHANGE REVIEW SHEET

CASE: C14-2019-0064 – Old School Liquor and Market    DISTRICT: 5

ZONING FROM: GR    TO: CS-1

ADDRESS: 1901 West William Cannon Drive, Suite 165

SITE AREA: 0.0552 acres (2,404 square feet)

PROPERTY OWNER: Field Realty Partners, Ltd. (J. Grady Field)

APPLICANT: Old School Liquor and Market, Inc.    AGENT: Keepers Consulting
           (Phil Harding and Debbie Mylius)    (Ricca Keepers)

CASE MANAGER: Wendy Rhoades (512-974-7719, wendy.rhoades@austintexas.gov)

STAFF RECOMMENDATION:

The Staff recommendation is to grant commercial – liquor sales (CS-1) district zoning.

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:
May 21, 2019: APPROVED CS-1-CO DISTRICT ZONING WITH THE CONDITIONAL
OVERLAY PROHIBITING ADULT-ORIENTED BUSINESSES, BAIL BOND
SERVICES, AND COCKTAIL LOUNGE, BY CONSENT
[J. DUNCAN; E. RAY – 2ND] (9-0) N. BARRERA-RAMIREZ – ABSENT; 1
VACANCY ON THE COMMISSION

CITY COUNCIL ACTION:
June 20, 2019:

ORDINANCE NUMBER:

ISSUES:

None at this time.

CASE MANAGER COMMENTS:

The subject rezoning area is a 2,404 square foot lease space occupied by a laundromat in a
larger commercial center containing medical office, retail and restaurant uses, and zoned
community commercial (GR). The shopping center is situated at the southeast corner of
West William Cannon Drive and Manchaca Road and has driveways to both streets. Please
refer to Exhibits A (Zoning Map) and A-1 (Aerial View).
The Applicant proposes commercial – liquor sales (CS-1) district zoning in order to occupy the lease space with a liquor store and food sales uses.

BASIS FOR RECOMMENDATION

The commercial – liquor sales (CS-1) zoning district is intended for commercial and industrial activities of a service nature which typically have operating characteristics or traffic service requirements generally incompatible with residential environments, and specifically includes liquor sales as a permitted use.

Staff recommends the Applicant’s request based on the property’s access to two arterial roadways which contain a mix of commercial uses and corresponding zoning.

OTHER STAFF COMMENTS:

Comprehensive Planning

This rezoning case is located on the southeast corner of West William Cannon Drive and Manchaca Road, and concerns one of the retail bays (0.05 acres) located within the larger Towne Square Shopping Center. The property is not located within the boundaries of a neighborhood planning area. Surrounding land uses include the existing retail shopping center, a restaurant, retail uses, and single family houses to the north; to the south is the existing shopping center, an assisted living center and single family houses; to the east is the existing shopping center, commercial uses, and single family houses; and to the west is a grocery store, an apartment complex, and single family houses. The proposal is to convert an existing retail bay from a laundromat to a liquor store/market, which requires CS-1 zoning.
Connectivity

There are public sidewalks located along W. William Cannon Drive and Manchaca Drive. A public transit stop is located directly in front of the shopping center. The Walkscore for this site is 64/100, Somewhat Walkable, meaning some errands may be accomplished on foot. The mobility and connectivity options in the area are above average.

Imagine Austin

The property is located along an ‘Activity Corridor’, which is characterized by a variety of activities and types of buildings that are intended to allow people to reside, work, shop, access services, people watch, recreate, and hang out without traveling far distances. The following IACP policies are also relevant to this case:

- **LUT P1.** Align land use and transportation planning and decision-making to achieve a compact and connected city in line with the growth concept map.
- **LUT P3.** Promote development in compact centers, communities, or along corridors that are connected by roads and transit that are designed to encourage walking and bicycling, and reduce health care, housing and transportation costs.
- **LUT P7.** Encourage infill and redevelopment opportunities that place residential, work, and retail land uses in proximity to each other to maximize walking, bicycling, and transit opportunities.

Based on the comparative scale of the site relative to a variety of existing commercial land uses in the area, as well as the site being located along an Activity Corridor, which encourages neighborhood service commercial uses to make more vibrant corridors, the proposed project appears to support the policies of the Imagine Austin Comprehensive Plan.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Williamson Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. The site is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<table>
<thead>
<tr>
<th>Development Classification</th>
<th>% of Gross Site Area</th>
<th>% of Gross Site Area with Transfers</th>
</tr>
</thead>
<tbody>

<tr>
<td>Multifamily</td>
<td>60%</td>
<td>70%</td>
</tr>
<tr>
<td>Commercial</td>
<td>80%</td>
<td>90%</td>
</tr>
</tbody>
</table>

According to floodplain maps there is no floodplain within or adjacent to the project location.
Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

**Site Plan**

Site plans will be required for any new development other than single-family or duplex residential.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Please be aware that State Law governs the location of the sale of alcohol; it may not be sold within 300 feet of a church, public or private school or public hospital. Please refer to Subchapter C: Local Regulation of Alcoholic Beverages.

**Transportation**

FYI – Driveways, sidewalks, accessibility requirements, etc. shall comply with current Land Development Code and Criteria at the time of the Site Plan Applications.

According to the Austin 2014 Bicycle Plan approved by Austin City Council in November, 2014, a bicycle facility is recommended for Manchaca and William Cannon. Mike Schofield, Bicycle Program, Austin Transportation Department may provide additional comments and requirements for right-of-way dedication and bicycle facility construction in accordance with LDC 25-6-55 and LDC 25-6-101. Please review the Bicycle Master Plan for more information.

FYI – This project is adjacent to a street that has been identified in Austin’s Corridor Mobility Program (see GIS file Construction eligible corridors).

**Water / Wastewater**

FYI: The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.
Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission’s name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: Already a lot of disturbances by homeless people in commercial area, worried about added access to alcohol.

This is for the concern of the Case number C14-2019-0064, an application of Wendy Rhoades for a zoning change from GP to CS-1, public hearings on May 21, 2019 at 2a.m. and June 20, 2019 City Council.

   Planning and Zoning Department

**Question: Commissioner King**

Regarding this case, as I understand, CS-1 zoning allows the following uses:

- Adult Lounge
- Cocktail Lounge
- Adult-Oriented Businesses
- Bail Bond Services

Would the applicant/owner be willing to prohibit these uses as a condition of the zoning?

Are there any schools, child day care facilities, or child-related land uses within 500 linear feet of this site?

**Answer: Staff and Applicant**

The Applicant is willing to prohibit these uses:

- Adult-Oriented Businesses (it covers adult lounge too and therefore, doesn’t need to be covered as a separate use)
- Bail Bond Services
- Cocktail Lounge
