Additional Backup Information:

Williamson County is constructing certain intersection, driveway, and road improvements on the south side of South Lakeline Blvd. from Pecan Park Blvd. to Research Blvd. (US 183A southbound frontage road) (the "Project").

Approximately 84 linear feet of the Project is located within District 6 of the City's Full Purpose Jurisdiction. The remainder of the pavement reconstruction of the Project is located within the unincorporated area of the County. Attached is a map that displays the City's Full Purpose Jurisdiction.

The City's funding portion is limited to \$16,500 for construction costs. Any additional funding will require the approval of City Council.

The County will be responsible for the Project's development and management. The County agrees in the Interlocal Agreement that the plans and specifications for the Project will be in accordance with the City's applicable design and construction standards under the City of Austin's City Code. In addition, the County agrees that it will ensure that the Project's plans and specifications comply with the applicable Texas Accessibility Standards and the Americans with Disabilities Act.
