Item #30

Late Backup

CM Kitchen MOTION SHEET

Amendments to Item 30

Add the following to the end of Part 2. Parks and Recreation – General Fund:

“The Parks Department shall analyze the impact of Per Day Entry Fee waivers on the goal of ensuring affordability for Austin residents as well as on revenues for Garden improvements, and may develop alternative approaches to achieve the same affordability purpose”

Insert the following language in the second bullet of Part 3:

The Zilker Botanical Garden Master Plan must be approved by and coordinated with the Zilker Park Master Plan including regarding opportunities to reduce parking needs, support of increased transit options and other alternative strategies that may be realized, and major capital improvements authorized by, City Council.

Amend the following language in the seventh bullet of Part 3:

The Conservancy must make a presentation to the Council Audit and Finance Committee twice each calendar year in six months and share presentation materials with Council. At a minimum, the update should contain detailed information about fundraising, marketing, and programming efforts to date, along with data about attendance on paid and free days.
