North Shoal Creek Contact Team General Meeting
February 14, 2019 6:30 -8:00 pm
First Texas Honda Conference Room

The meeting was conducted and called to order by Chair Sharon Justice at 6:40 pm. Also in attendance were Vice Chair Kenneth Webb, Michael Affuso, Amelia Cobb, Jon Menegay, Iva Whitman, Kevin Wier, Roger Wines, and Mary Jane Wier. Voting members were identified as Sharon Justice, Kenneth Webb, Michael Affuso, Amelia Cobb, Jon Menegay, and Roger Wines.

- Minutes of Nov. 8, 2018 meeting were approved as amended, with the Contact Team’s mailing address being deleted from the heading.

- Updates/announcements: There was no update to the site plan application for 8526 Burnet Road, which is located in the Allandale neighborhood. Kevin Wier gave an update on 8526 Burnet Road. The project’s developer -- C.J. Sackman -- is looking to work with neighboring property owners to gain joint access to an existing Burnet Road driveway. There was discussion as to the extent the Contact Team (CT) should provide assistance. It was agreed that the CT Chair would write to Councilmember Pool’s office saying that the CT supports the project having access to Burnet Road and would like to be kept informed of what’s happening in that regard.

- Jon Menegay reported that the MoPac/183 shared use path appears to be completed and that people are trying to use it despite the traffic lights not being operational. Jon volunteered to contact either the office in charge of the project or 311 to point out this potentially dangerous situation.

- Kevin Wier reported that stakeholders have begun working together to develop the proposed park along Shoal Creek between Steck and Anderson. This will be a private/public collaboration, and the Shoal Creek Conservancy is among the stakeholders. An organizational meeting is expected to be scheduled within the next 30 days. Kevin also described recently implemented changes to the City’s small area planning programs.

- Discussion and votes were held on these three items:

  1) Motion: North Shoal Creek should continue to opt into the City’s Front Yard Parking ordinance – unanimous vote yes (6-0)

  2) Motion: North Shoal Creek should opt into the City’s additional Mobile Food Vendor Restrictions – 3 votes yes, 2 abstain. (Roger Wines had to leave for another appointment prior to this vote)
3) Motion: The North Shoal Creek Contact Team approves of the proposed street closures for the Austin Fox Trot 5K Run/Walk on Saturday, April 27 – unanimous vote yes (5-0)

- Chair Sharon Justice reported that the City’s Local Area Traffic Management program had ended, and that two projects – speed cushions for Primrose and a roundabout at the Rockwood/Stillwood intersection – were no longer funded. She suggested that, since Primrose and Rockwood still need traffic calming, the CT make finding new funding the topic of the team’s May meeting. Members agreed, and Jon Menegay suggested inviting NSCNA Traffic Chair Anna Hobbes to that meeting. His suggestion was approved.

- The meeting was adjourned at 8:00 pm

Developer moves forward with plan for Burnet Road apartment complex
A report from the North Shoal Creek Contact Team

Plans are moving forward for development of a 292-unit apartment complex on Burnet Road, and the North Shoal Creek Neighborhood Plan Contact Team has red-flagged two major issues with the site plan.

If you’ve lived in North Shoal Creek for more than three years, you may remember the struggle the North Shoal Creek Neighborhood Association waged against a developer’s request to rezone two lots on Burnet Road to high density multi-family zoning. The lots previously housed Gordon Automotive and Crump Plumbing Supply.

NSCNA argued for medium-density zoning, which would match the zoning of the existing apartments in our neighborhood. NSCNA lost the battle, however; in April 2015, the Austin City Council voted 7-4 to rezone the lots from CS (Commercial Services) to MF-6 (Multi-Family, Highest Density). This change allows the developer to build a five-story, 60-foot-tall apartment complex with a maximum of 300 units on these two lots.

The developer, C.J. Sackman, is also developer of the 70 Rainey condominium tower in downtown Austin. With that building scheduled to open in early 2019, his attention is now turning to the project at 8526 Burnet Road.

On July 5 he submitted a site plan application for a five-story, 292-unit complex with underground parking to the City’s Development Services Department. As per city regulations, a City of Austin land-use staff team reviewed the site plan. In August, the land-use team issued a master comment report listing problems or deficiencies with the site plan that must be remedied by July 10, 2019, before the plan can be approved.

NSCNA received notification of the site plan application in September, and the North Shoal Creek Neighborhood Plan Contact Team reviewed the site plan application and comment report at its November 8 meeting. The team noted (Continued on page 8)
