Item 100 – C20-2019-008 University Neighborhood Overlay

Postponement request

CANPAC, the neighborhood plan contact team for the Central Austin Combined Neighborhood Plan is requesting a postponement of 10/3/19 City Council Item 100 – C20-2019-008 University Neighborhood Overlay.

We have learned that staff has revised their recommendation after the completion of the Planning Commission hearing, though what the staff recommendation now is has not be provided to us or discussed with us by staff. CANPAC would like time to review and discuss last-minute changes staff has made for their recommendation on this case.

Regards,
Bart Whatley, CANPAC Co-chair
