### **Additional Backup Information:**

The Texas Department of Transportation (TxDOT) is improving widening U.S. Highway 290 from west of Ranch-to-Market 1826 to State Highway Loop 1, locally known as Oak Hill Parkway. In connection with that improvement project, TxDOT has identified the need to acquire a .3833-acre strip of land owned by the City of Austin. The property is an excess portion of McCarty Lane that extends into and is overlapped by U.S. Highway 290. The tract is stewarded by Office of Real Estate Services. As the tract is overlapped by U.S. Highway 290, its conveyance to TxDOT will not compromise the integrity of the City's transportation system or the public's circuitry of travel. TxDOT has made an offer to purchase the subject City of Austin property at an appraised value of \$1,000. The Office of Real Estate Services has reviewed the appraisal provided by TxDOT and determined its value conclusion to be reasonably supported.
