Subject: Postponement for zoning change hearing for 7715 Delwau Lane

*** External Email - Exercise Caution ***

To Whom it May Concern,

I am requesting a postponement for the zoning change hearing for 7715 Delwau Lane to February 20th. I live at and own the home at 7709 Delwau Lane. I nor any of my neighbors received a letter informing us of the hearing scheduled for tomorrow. We would like additional time to work with the developer to come up with a plan supported by the neighborhood.

Thank you for your time.

Sincerely,

Jayme Moore
