Council Committee, Boards and Commission Action:

February 12, 2020 - To be reviewed by the Water and Wastewater Commission.

Additional Backup Information:

The contract will provide polyvinyl chloride (PVC) wastewater line fittings of various types and sizes. These fittings will be purchased on an as needed basis and stored in Austin Water's Webberville storeroom and Glen

Bell Service Center. The fittings will be used by valve and hydrant crews, pipeline maintenance crews and television inspection crews. These fittings will also be used by the water treatment plants for repairs and installations of PVC water lines.

The contract will combine two current contracts which expire on February 26, 2020. The requested authorization amount was determined using departmental estimates based on historical spend. Core and Main, L.P. is one of the two current providers of these goods.
