

ELECTRIC BOARD RECOMMENDATION 2020-01-15

3a is the agenda item number

Date: January 23, 2020

Subject: Board Recommendation of 2020 Electrical Ordinance

Recommendation(s)

3a) The Board recommends the City Council approve the adoption of 2020 National Electrical Code (NEC) with 2020 local electrical ordinance

Description of Recommendation to Council

The Electric Board recommends adopting the 2020 NEC which provides a national standard for electrical installations for residential, commercial, and industrial buildings and structures. The proposed ordinance establishes amendments to address local installations, and to comply with the State Electrical law and the State's adopted national Electrical Code.

Rationale:

The Board consists of stakeholders and business owners in the community and believe 2020 NEC continues to provide safety standards and guidelines for all electrical installations
