Dear Councilwoman Tovo,

Thank you for attending the Visit Austin Board Meeting yesterday.

We understand that City Council will be reviewing the Visit Austin Board appointments soon and we ask that you share with the Council on our behalf the importance of having the downtown district council member appointed to the Visit Austin Board of Directors. Not only does District 9 encompass the largest share of Austin's tourism industry downtown as well as the convention center, we feel it's important to maintain consistency. Additionally, we think the Mayor of Austin should always have a designated seat on the Visit Austin Board, representing the council and the City's at large interests.

Thank you again for your ongoing support and dedication to our organization.

Sincerely,
Tom Noonan and Tom Stacy
