At the January 29, 2020 Audit and Finance Committee meeting, staff from the Office of the City Clerk presented several bylaw change requests from the Mexican American Advisory Board including: changing the name of the board, using the term quorum in election voting instead of majority, adding a new role of Co-chair, and amending the end time for meetings. City Staff only recommended the request change the name of the board to reflect the official name of the Mexican American Cultural Center which was changed in 2010 to Emma S. Barrientos Mexican American Cultural Center. The Audit and Finance Committee agreed with staff and forwarded only the recommendation for the name change to Council.
