

**THIRD AMENDMENT TO THE FIRST AMENDED AND RESTATED
AGREEMENT CONCERNING CREATION AND OPERATION OF
SENNA HILLS MUNICIPAL UTILITY DISTRICT**

§

§

§

I. RECITALS

Section 1.05. On November 20, 2018, Senna Hills, Ltd., submitted an application to amend the consent agreement between the City of Austin and the Senna Hills Municipal Utility District (MUD). The amendment seeks to revise the Senna Hills MUD land plan and consent agreement to develop land previously designated as a school site and irrigation land (11.73 acres) into an office use.

[Type here]

Section 1.06. The amendment requires updating the land use allocation table to reflect the revised build-out conditions and reduce the ultimate number of single-family units (and overall residential density) as well as the overall area of irrigation required due to a smaller number of land use equivalents. The applicant affirms that the acreage allocated for wastewater irrigation on the proposed office site is no longer needed for effluent irrigation due to a reduction in density throughout the project.

NOW THEREFORE, for and in consideration of the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City, the District, and Developer hereby agree as follows:

II. AGREEMENT

Section 2.01. Amendment. Section 9(g) of the Amended Consent Agreement shall be stricken and replaced with the following: “Commercial and multi-family development is strictly prohibited on the parcels shown as Irrigation Lands on the Land Plan. These lots shall be left in a natural state, except the land may be utilized for recreational purposes and facilities.”

Section 2.02. Amendment to Land Plan. The Land Plan for the District, as set forth in Exhibit F to the First Amended Consent Agreement, is deleted and replaced with the Land Plan attached hereto as Exhibit A.

III. GENERAL PROVISIONS

Section 3.01. Except as set forth in this Third Amendment and in prior amendments of the Amended Consent Agreement, all terms and conditions of the Amended Consent Agreement shall remain in full force and effect.

Section 3.02. This Third Amendment to the Amended Consent Agreement may be executed in duplicate originals each of equal dignity and is effective when executed by the authorized representative of each party.
