Additional Backup Information:

The enabling legislation for the Austin Green Municipal Utility District (MUD) provides that, if required under the terms of the City's consent agreement with the district, the MUD's Board of Directors shall include one director appointed by City Council. The consent agreement calls for replacing a board member within 60 days of the position being created; otherwise, the appointment may be filled by board members in accordance with Section 49.105(a), Texas Water Code.

Strategic Outcome(s):

Government that Works for All.
