This Partner Equivalent Agency Agreement (Agreement) is made and entered by and between the City of Austin (City) and St. Edwards University (University), collectively referred to as the “Parties” or a “Party.”

RECITALS

1. The Austin Regional Intelligence Center (ARIC) is a collaborative effort of 19 public safety agencies in Hays, Travis, Williamson, and Bastrop Counties (ARIC Partner Agencies or Partner Agencies). ARIC Partner Agencies work together to provide resources, expertise, and information to the ARIC. ARIC focuses on regional public safety data analysis. The mission of ARIC is to maximize the ability to detect, prevent, apprehend, and respond to criminal and terrorist activity.

2. During the summer and fall of 2010, each of the ten original ARIC Partner Agencies’ governing bodies approved an Interlocal Cooperation Agreement (authorized under chapter 791 of the Government Code) that established and outlined the intent of the Partner Agencies to centralize efforts and co-locate (Original ARIC Agreement). Further, the Original ARIC Agreement established a framework for the organization of the ARIC. The Original ARIC Agreement set out a common understanding of the policies and procedures that the ARIC currently follows in providing criminal intelligence and coordination of law enforcement services to the citizens in the Austin-Round Rock metropolitan area.

3. The Original ARIC Agreement assigns the primary responsibility for the operation of the ARIC to the City of Austin through its Police Department (APD). Further, the Original ARIC Agreement assigns the City of Austin as the Fiscal Agent for grants provided in support of ARIC, and requires that it provide office space, equipment, and supplies in order to carry out the administrative operation of ARIC.
4. During the fall and winter of 2012 and into 2013, the Partner Agencies entered into a second Interlocal Cooperation Agreement that created a mechanism to fund the technology and related systems necessary for the continued operations of the Center (Sustainment Funding Agreement).

5. In 2017, the Partner Agencies amended the Original ARIC Agreement and the Sustainment Funding Agreement to authorize the City of Austin to enter into separate collateral agreements, to be known as Partner Equivalent Agency Agreements, as necessary, to allow certain non-governmental agencies, to be known as Partner Equivalent Agencies, to assume obligations and receive benefits equivalent to Partner Agencies. Each Partner Equivalent Agency Agreement must include the same terms of understanding contained in the Original ARIC Agreement and the Sustainment Funding Agreement in substantially the same format as the Original ARIC Agreement and the Sustainment Funding Agreement.

NOW, THEREFORE, the City and the University enter into this Partner Equivalent Agency Agreement.

AGREEMENT

PART ONE

Governance and Management

I. AUTHORITY AND LIMITATIONS TO APPLICABILITY

The Parties’ authority for entering into this Agreement are the terms of the Original ARIC Agreement and the Sustainment Funding Agreement described above. Additional authority is found in the Texas Constitution and laws of the State of Texas. This Agreement is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law or otherwise by any third party against the
Parties, the United States, or the officers, employees, agents, or other associated personnel thereof.

The Parties acknowledge and agree that only University personnel who are commissioned peace officers, whom the University is authorized to employ under section 51.212 of the Texas Education Code, are permitted to use the services of the ARIC pursuant to this Agreement. No other University personnel are authorized to use the services of the ARIC.

II. PURPOSE

This Agreement establishes the University as a Partner Equivalent Agency in the ARIC. Specifically, the Agreement incorporates the University into the organizational framework of the ARIC to address crime-related issues that are common to the Partner Agencies and Partner Equivalent Agencies. The Agreement sets out a common understanding of the policies and procedures that the ARIC follows in providing criminal intelligence and coordination of law enforcement service to the citizens in the Austin-Round Rock metropolitan area. Further, the Agreement incorporates the University into the mechanism utilized to fund the technology and related systems necessary for the continued operations of the ARIC.

V. COLLECTION LIMITATION

A. ARIC may only seek or retain information that was gathered in a fair and lawful manner, wherein the source is reliable, and the content is valid or limitations on confidence are identified and with the knowledge and consent of the individual, if appropriate, and falls into the following categories:

PART TWO

ARIC Funding

I. BUDGET

A. Proportional Cost Allocation.

The annual Operating Costs shall be shared based on the participation levels of each Partner Agency and Partner Equivalent Agency. The University shall identify the number of sworn personnel who are permitted to use the services of the ARIC as described in Part One, Section I of this Agreement, as shown in Exhibit A (“Identified Positions”). The formula for the participation level for each Partner Agency and Partner Equivalent Agency is the approved Budget for Operating Costs divided by the total number of Identified Positions in all Partner and Partner Equivalent Agencies. This per Identified Position contribution is multiplied by the number of Identified Positions in a Partner Agency and Partner Equivalent Agency. The Partner Agencies and Partner Equivalent Agencies may modify the number of Identified Positions as needed each Fiscal Year. Each Partner Agency and Partner Equivalent Agency’s Annual Assessment includes amounts that may be held in reserve in anticipation of future hardware replacements. Costs that are incurred to benefit only one individual Partner Agency or Partner Equivalent Agency shall be paid only by the Partner Agency or Partner Equivalent Agency benefiting from such ARIC enhancements.

B. Annual Budget.

The Director of ARIC shall prepare an annual budget on a Fiscal Year basis and submit this budget to the Operational Management Team. The Operational Management Team shall review and adjust the Budget, as needed, and then submit the Budget to the Executive Board. The Executive Board shall, no later than March 1st of each year, recommend that each Partner Agency and Partner
Equivalent Agency approve the Budget and appropriate its Annual Assessment in its budget for its next fiscal year.

C. **Budgeted Expenditures.**

After the Budget has been approved and funded by the Partner and Partner Equivalent Agencies, the City is authorized to incur costs in accordance with the Budget. Any costs to be incurred in excess of the approved and funded Budget require additional budget approval and funding by all of the Partner and Partner Equivalent Agencies, or re-allocation of existing funds by the Executive Board.

D. **Funding Transfers to City.**

Once each Partner Agency and Partner Equivalent Agency appropriates its Annual Assessment in its annual budgetary process, the City shall provide timely and accurate invoices as described below (D.1.) to facilitate the transfer of funds by each Partner Agency and Partner Equivalent Agency to City. The City and the Partner and Partner Equivalent Agencies shall each comply with the following procedures to facilitate payment by City to the ARIC vendors and contractors:

1. **Invoice for Annual Assessment.** At least 30 days prior to the beginning of each Fiscal Year, the City shall send each Partner Agency and Partner Equivalent Agency an invoice for its Annual Assessment.

2. **Approval of Invoice Amount.** Each Partner and Partner Equivalent Agency must notify City in writing within 15 business days after receipt of the invoice for the Annual Assessment if its invoice does not correctly state its Annual Assessment.
3. **Payment Instructions.** City must provide payment instructions to each Partner and Partner Equivalent Agency for the transfer of Partner Equivalent Agency funds to the City.

4. **Partner Agency Funds.** Each Partner Agency and Partner Equivalent Agency must pay its Annual Assessment to the City no later than 60 calendar days after receipt of the invoice.

II. **ARIC FUND**

A. The City shall establish a separate fund for ARIC in its accounting records (“ARIC Fund”) that is dedicated to the administration of the ARIC. All funds received from Partner Agencies and Partner Equivalent Agencies and other ARIC revenues, including income earned from investment of the ARIC Fund, shall be credited to the ARIC Fund. All ARIC obligations shall be debited from the ARIC Fund. The records for the ARIC Fund shall be maintained in compliance with generally accepted accounting principles.

B. **Investment Income.** The ARIC Fund is invested by City in the same manner as City invests its excess funds. Any income earned on the funds invested from the ARIC Fund is credited to the ARIC Fund for the benefit of the ARIC, unless otherwise required by law. Any income earned in the current year will be retained and used to fund anticipated and unanticipated costs in subsequent years, as approved by the Operational Management Team and the Executive Board.

C. **Quarterly Statements.** Within 30 days after the end of each quarter, City must provide quarterly statements showing the credits to and debits from the ARIC Fund, including any income earned, to each Partner Agency and Partner Equivalent Agency. The quarterly statements must include
beginning and ending ARIC Fund balances. Statements for ‘year-end’ fund status must be provided as soon after year-end closeout as possible but in no event more than 45 days after the end of the Fiscal Year.

D. **Payments.** Subject to the availability of sufficient funds in the ARIC Fund, the City shall pay ARIC contractors and vendors in compliance with the Texas Prompt Payment Act.

E. **Reports.** The City shall provide each Partner Agency and Partner Equivalent Agency with a monthly report comparing the Budget with the actual expenses incurred in that month and in the current Fiscal Year to date. This report will be provided during the Operational Management Team’s monthly meeting.

### III. Funding.

The Partner Agencies and Partner Equivalent Agencies specifically acknowledge that funding for each Partner Agency’s and Partner Equivalent Agency’s Annual Assessment must go through that Partner Agency’s or Partner Equivalent Agency’s normal budgeting process; and after approval by its governing body or other approval required by law, is payable in compliance with section I. D.

### IV. Failure to Appropriate or Partial Funding.

If any Partner Agency or Partner Equivalent Agency fails to appropriate its Annual Assessment by the first day of the Fiscal Year for which the Operating Budget is applicable (“Unfunded Party”) or appropriates less than its Annual Assessment for any year, or if any Partner Agency or Partner Equivalent Agency fails to pay all of its Annual Assessment, (“Underfunding Party”), the other Partner Agencies and Partner Equivalent Agencies, acting through the Executive Board, may take one or more of the following actions:
A. Notice of Unfunding. Send the Unfunded Party a notice re-stating the amount due. Each Partner Agency and Partner Equivalent Agency acknowledges that its future right to participate in ARIC is dependent upon fully paying its Annual Assessment each year.

B. Budget Revision. Amend the Operating Budget by reducing costs and/or increasing the amounts paid by the other Partner Agencies and Partner Equivalent Agencies if the Unfunded Party opts not to continue to participate.

C. Suspension of Representation. Remove the Unfunded Party from the Operational Management Team and Executive Board, if applicable, and suspend the voting rights for the Unfunded Party.

**PART THREE**
