### **Additional Backup Information:**

This item is related to the 2016 Mobility Bond and the 2018 Bond.

In 2016 Council adopted the Sidewalk Masterplan which includes the sidewalk priorities and selection criteria. As part of the City's ongoing effort to comply with the directives of the Federal Americans with Disabilities Act (ADA), the Public Works Department has developed efficient and cost-effective methods to construct sidewalks, ramps, driveways, retaining walls, handrails, bikeways, striping, shoulder widening, ADA bus stop upgrades, sidewalk repairs, and associated construction.

Indefinite Delivery/Indefinite Quantity contracts provide for an indefinite quantity of services for a fixed time, usually an initial term with extension options. They are commonly used when precise quantities of supplies or services, above a specified minimum, cannot be determined. Indefinite Delivery/Indefinite Quantity contracts help streamline the contract process and service delivery and allow the City the flexibility to add work as needs

arise or change. As each project is defined, a specific work assignment will be given to the contractor who will complete the scope of work for the unit prices included in the contract. Work deadlines will be established for each work assignment.

The base bid was used to identify and determine the lowest responsive bidder and to determine contract unit prices for each bid item.

This request allows for the award and execution of a construction contract with Austin Constructors, LLC. for a one-year term.

Projects will be located Citywide, in all Districts.

Austin Constructors, LLC. (WBE/FH) is located in Austin, Texas.
