QUESTION/ANSWER: Council Member Tovo's Office

The February 19, 2020, memo from Public Works Director Richard Mendoza provided balances for the Quarter Cent Funding by Council District. Please provided updated figures as of April 20, 2020, (if there have been changes since February) and projected balances if the City Council approves the expenditures as proposed on the April 22, 2020, Council agenda.

Updated figures are included in Exhibit C version 2, including a corrected typo for District 9.
There have been no significant changes to the balances since the February 2020 memo was distributed. The Program Managers continue to process invoices but none have resulted in significant changes to balances.
