SECTION 4.01 REGISTRATION, TRANSFER, AND EXCHANGE. So long as any Bonds remain Outstanding, the Registrar shall keep at its designated office for payment the Register, in which, subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Resolution.

Each Bond shall be transferable only upon the presentation and surrender thereof at the designated office for payment of the Registrar, duly endorsed for transfer, or accompanied by an
assignment duly executed by the Registered Owner or an authorized representative in form satisfactory to the Registrar. Upon due presentation of any Bond for transfer, the Registrar shall authenticate and deliver in exchange therefor, within 72 hours after such presentation, a new Bond or Bonds of the same type, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount, and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the designated office for payment of the Registrar for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination, in an aggregate principal amount equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with the provisions of this Section 4.01. Each Bond delivered in accordance with this Section 4.01 shall be entitled to the benefits and security of this Resolution to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The District or the Registrar may require the Registered Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the District.

SECTION 4.02 MUTILATED, LOST, OR STOLEN BONDS. Upon the presentation and surrender to the Registrar of a mutilated Bond, the Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding. If any Bond is lost, apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Registrar shall authenticate and deliver a replacement Bond of like amount, bearing a number not contemporaneously outstanding.

The District or the Registrar may require the Registered Owner of a mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Registrar shall authenticate and deliver a replacement Bond of like amount, bearing a number not contemporaneously outstanding.

The District or the Registrar may require the Registered Owner of a lost, apparently destroyed or wrongfully taken Bond, before any replacement Bond is issued, to:

(a) furnish to the District and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Bond;
(b) furnish such security or indemnity as may be required by the Registrar and the District to save them harmless;

(c) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and

(d) meet any other reasonable requirements of the District and the Registrar.

If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond which such replacement Bond was issued presents for payment such original Bond, the District and the Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the District in its discretion may, instead of issuing a replacement Bond, authorize the Registrar to pay such Bond.

Each replacement Bond delivered in accordance with this Section 4.02 shall be entitled to the benefits and security of this Resolution to the same extent as the Bond or Bonds in lieu of which such replacement is delivered.

**SECTION 4.03 CANCELLATION OF BONDS.** All Bonds paid in accordance with this Resolution, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated, registered, and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment, redemption, exchange, or replacement. This Registrar shall furnish the District with appropriate certificates of destruction of such Bonds.

**SECTION 4.04 BOOK-ENTRY-ONLY SYSTEM.**

(a) The Bonds issued in exchange for the Initial Bond issued as provided in Section 3.02 shall be issued in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York (“DTC”) and except as provided in subsection (b) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created to hold securities to facilitate the clearance and settlement of securities transactions among DTC participants (the “DTC Participant”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the
delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Register, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any person, other than a Registered Owner, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Resolution to the contrary, but to the extent permitted by law, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of and interest, with respect to such Bond, for the purposes of registering transfers with respect to such Bond, and for all other purposes of registering transfers with respect to such Bonds, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Registered Owners, as shown in the Register as provided in this Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Register, shall receive a Bond evidencing the obligation of the District to make payments of principal, and interest pursuant to this Resolution. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Resolution with respect to interest checks being mailed to the registered owner at the close of business on the Record Date the word “Cede & Co.” in this Resolution shall refer to such new nominee of DTC.

(b) In the event that the District determines to discontinue the book-entry system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Bonds, the District shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the Registered Owner transferring or exchanging Bond shall designate, in accordance with the provisions of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Blanket Issuer Letter of Representations of the District to DTC.

(d) The District confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Bonds.

(e) The Bonds herein authorized shall be initially issued as a fully registered bond, being one Bond, and the Initial Bond shall be registered in the name of the Purchaser or the designees thereof. The Initial Bond shall be the Bond submitted to the Office of the Attorney
General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchaser. Immediately after the delivery of the Initial Bond on the closing date, the Paying Agent/Registrar shall cancel the Initial Bond delivered hereunder and exchange therefor Bonds in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and except as provided in Section 3.02, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

ARTICLE FIVE

REDEMPTION OF BONDS BEFORE MATURITY

SECTION 5.01 REDEMPTION OF BONDS. The Bonds are subject to redemption as set forth in the Pricing Certificate.

ARTICLE SIX

FORM OF BOND

SECTION 6.01 FORM OF BOND. The Bonds authorized by this Resolution shall be in substantially the form attached as Exhibit A, with such omissions, insertions, and variations, including variations in form, spacing, and style, as may be necessary and desirable and consistent with the terms of this Resolution and the Pricing Certificate. The District shall provide sufficient printed bond forms, duly executed by the District, to the Registrar for registration, authentication, and delivery of the Bonds in accordance with the provisions of this Resolution.

SECTION 6.02 CUSIP REGISTRATION. The Pricing Officer may secure the printing of identification numbers on the Bonds through the CUSIP Service Bureau.

SECTION 6.03 LEGAL OPINION AND BOND INSURANCE. The approving opinion of Orrick, Herrington & Sutcliffe LLP, Austin, Texas may be printed on the back of the Bonds over the certification of the Secretary or Assistant Secretary of the Board of Directors which may be executed in facsimile. In addition, if any bond insurance is obtained, any statement of insurance may be placed on the Bonds.

ARTICLE SEVEN

SECURITY FOR THE BONDS

SECTION 7.01 SECURITY OF BONDS AND PERFECTION OF LIEN. The Bonds and all interest thereon, are and shall be secured by and payable from the levy of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, upon all taxable property within the District, and are further secured by an irrevocable lien on and pledge of the Net Revenues. Said Net Revenues are further pledged irrevocably to the establishment and maintenance of the funds as hereinafter provided.
SECTION 7.02 LEVY OF TAX; BONDS ARE ADDITIONAL BONDS.

(a) All taxes levied and collected for and on account of said Bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds are outstanding and unpaid, the Board shall compute and ascertain the rate and amount of ad valorem tax, based on the valuation of taxable property in the District, according to the latest approved tax rolls of said District, which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, to provide and maintain a sinking fund adequate to pay the principal of the Bonds as such principal matures, and to pay the expenses of assessing and collecting the tax and the fees and expenses of the Paying Agent/Registrar with respect to the Bonds; and said tax shall be based on the latest approved tax rolls of the District, with full allowance being made for tax delinquencies. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, without limit as to rate or amount, against all taxable property in the District for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient for the payment of the interest on and principal of the Bonds, as such interest comes due and such principal matures, and to pay the expenses of assessing and collecting the tax and the fees and expenses of the Paying Agent/Registrar with respect to the Bonds, are hereby pledged for such payment, without limit as to rate or amount.

(b) At such time as the Net Revenues from the operation of the System (herein pledged) together with money derived from taxes shall have accumulated a surplus in the Interest and Sinking Fund in an amount at least equal to the principal of and interest on the Bonds scheduled to mature and accrue in the year next succeeding, then the annual tax levy may be reduced to such rate as will produce not less than twenty five percent (25%) of the principal and interest requirements for each of the next succeeding years, until an actual experience of three (3) successive years shall demonstrate that the Net Revenues are wholly adequate to pay the principal of and the interest on the Bonds as the same mature and accrue, at which time the District tax may be wholly abated until further experience may demonstrate the necessity again to exercise the District’s taxing power in order to avoid default in the payment of said Bonds and the interest thereon as the same mature and accrue.

(c) The Bonds authorized to be issued and delivered by this Resolution are “Additional Bonds,” as defined in Section 18 of the Series 1999 Bond Resolution authorizing the Senna Hills Municipal Utility District Unlimited Tax and Waterworks and Sewer System Revenue Bonds, Series 1999. Therefore, except where inconsistent with the provisions of this Resolution, Sections 8, 9 and 11 through 17, inclusive, of the Series 1999 Bond Resolution are hereby adopted by reference, and the same shall apply with equal force to the Bonds ordered to be issued by this Resolution as if said Sections were fully set forth herein. Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of ad valorem taxes and Net Revenues to payment of principal and interest on the Bonds granted by the District is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.
SECTION 7.03 PAYMENT OF BONDS AND PERFORMANCE OF OBLIGATIONS. The District covenants to pay promptly the principal of and interest on the Bonds as the same become due and payable, whether at maturity or by prior redemption, in accordance with the terms of the Bonds and this Resolution, and to keep and perform faithfully all of its covenants, undertakings, and agreements contained in this Resolution, or in any Bond executed, authenticated, and delivered hereunder.

SECTION 7.04 CONSOLIDATION OR DISSOLUTION OF DISTRICT. To the extent provided by law, the pledge of taxes set forth in Section 7.02 will terminate if a city takes over all properties and assets, assumes all debts, liabilities, and obligations, and performs all functions and services of the District, and the District is abolished pursuant to law.

The laws of the State of Texas permit the District to be consolidated with one or more conservation and reclamation districts. In the event the District is consolidated with another district or districts, the District reserves the right to:

(a) Consolidate the System with a similar system of one or more districts with which the District is consolidating and operate and maintain the systems as one consolidated system (herein for purposes of this section the “Consolidated System”).

(b) Apply the net revenues from the operation of the Consolidated System to the payment of principal, interest, redemption price and bank charges on the revenue bonds or the combination tax and revenue bonds (herein for purposes of this section the “Revenue Bonds”) of the District and of the district or districts with which the District is consolidating (herein collectively the “Consolidating Districts”) without preference to any series of bonds (except subordinate lien revenue bonds which shall continue to be subordinate to the first lien Revenue Bonds of the Consolidating Districts).

(c) Pledge the net revenues of the Consolidated System to the payment of principal, interest, redemption price and bank charges on Revenue Bonds which may be issued by the Consolidating Districts on a parity with the outstanding first lien Revenue Bonds of the Consolidating Districts.

ARTICLE EIGHT

(i) the Escrow Fund;

(ii) Interest and Sinking Fund for the Bonds.
Each fund is hereby created or confirmed. The Interest and Sinking Fund shall be kept separate and apart from all other funds of the District and shall be maintained at a depository bank of the District. The Interest and Sinking Fund shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. The Escrow Fund shall be created and shall be governed and maintained by the terms of the Escrow Agreement.

**SECTION 8.03 INTEREST AND SINKING FUND.** The taxes levied under Section 7.01 hereof shall be deposited to the credit of the Interest and Sinking Fund at such times and in such amounts as necessary for the timely payment of the principal of and interest on the Bonds. Money on deposit in the Interest and Sinking Fund shall be used to pay the principal of and interest on the Bonds as such become due and payable.

**SECTION 8.04 INVESTMENTS; EARNINGS.** Moneys deposited into the Interest and Sinking Fund the Revenue Fund and any other fund or funds which the District may lawfully create may be invested or reinvested in Authorized Investments. All investments and any profits realized from and interest accruing on investments made from any fund may be transferred to the Interest and Sinking Fund. If any moneys are so invested, the District shall have the right to have sold in the open market a sufficient amount of such investments to meet its obligations in the event any fund does not have sufficient uninvested funds on hand to meet the obligations payable out of such fund. After such sale the moneys resulting therefrom shall belong to the fund from which the moneys for such investments were initially taken. The District shall not be responsible to the Registered Owners for any loss arising out of the sale of any investments.

**ARTICLE NINE**

**APPLICATION OF BOND PROCEEDS; REFUNDING ARRANGEMENTS**

**SECTION 9.01 BOND PROCEEDS.** Proceeds from the sale of the Bonds of each series shall, promptly upon receipt by the District, be applied in accordance with the provisions set forth in the Pricing Certificate. In addition, in furtherance of the authority conferred by this Resolution, the Pricing Officer may direct that lawfully available funds of the District be applied (in such amounts as the Pricing Officer shall direct), deposited and invested to effect the purposes of this Order, including to effect the defeasance and redemption of the Refunded Bonds.

**SECTION 9.02 DEFEASANCE OF REFUNDED BONDS.** Pursuant to Section 1207.007, Texas Government Code, as amended, the Board hereby authorizes and directs that the Refunded Bonds shall be paid in the amounts and on the dates determined by the Pricing Officer, and the Pricing Officer is hereby authorized and directed to identify the specific maturities of the Refunding Candidates to be refunded and the amount, if any, of available funds to be deposited in the Escrow Fund for the Refunded Bonds. In addition, the Pricing Officer
may execute and deliver an escrow agreement, a deposit agreement or a similar agreement, a letter of instructions or any other instrument relating to the safekeeping, investment, administration and disposition of moneys deposited to effect the defeasance of the Refunded Bonds in such form and subject to such terms and conditions as the Pricing Officer determines may be necessary or convenient to carry out the intent and purpose of this Resolution.

SECTION 9.03 REDEMPTION PRIOR TO MATURITY OF REFUNDED BONDS. To maximize the District's present value savings and to minimize the District's costs of refunding, the Board hereby authorizes and directs that certain of the Refunded Bonds shall be called for redemption prior to maturity in the amounts, at the dates and at the redemption prices set forth in the Pricing Certificate, and the appropriate officials of the District are hereby authorized and directed to take all necessary and appropriate action to give or cause to be given a notice of redemption to the holders or paying agent/registrars, as appropriate, of such Refunded Bonds, in the manner required by the documents authorizing the issuance of such Refunded Bonds.

SECTION 9.04 PURCHASE OF DEFEASANCE SECURITIES. The Pricing Officer and the Escrow Agent are hereby authorized (a) to subscribe for, agree to purchase, and purchase securities that are permitted investments for a defeasance escrow established to defease the Refunded Bonds, and to execute any and all subscriptions, purchase agreements, commitments, letters of authorization and other documents necessary to effectuate the foregoing, and any actions heretofore taken for such purpose are hereby ratified and approved, and (b) to direct and provide for such contributions to the escrow fund as are provided in the Escrow Agreement.

SECTION 9.05 ESCROW FUND. The proceeds from the sale of the Bonds after making the deposit hereinbefore provided and paying or making provisions for the payment of the costs in connection with issuing the Bonds, shall be deposited into the Escrow Fund as described in the Escrow Agreement.

ARTICLE TEN

PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

SECTION 10.01 COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. The District intends that the interest on the Bonds shall be excludable from gross income of the owners thereof for federal income tax purposes pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and all applicable temporary, proposed and final regulations (the “Regulations”) and procedures promulgated thereunder and applicable to the Bonds, the District covenants that it will monitor and control the receipt, investment, expenditure and use of all gross proceeds of the Bonds (including all property the acquisition, construction or improvement of which is to be financed directly or indirectly with the proceeds of the Bonds) and take or omit to take such other and further actions as may be required by Sections 103 and 141 through 150 of the Code and the Regulations to cause interest on the Bonds to be and remain excludable from the gross income, as defined in Section 61 of the Code, of the owners of the Bonds for federal income tax
purposes. Without limiting the generality of the foregoing, the District shall comply with each of the following covenants:

(a) The District will use all of the proceeds of the Bonds to (i) provide funds for the purposes described in introduction hereof, which will be owned and operated by the District and (ii) to pay the costs of issuing the Bonds.

(b) The District will not directly or indirectly take any action, or omit to take any action, which action or omission would cause the Bonds to constitute “private activity bonds” within the meaning of Section 141(a) of the Code.

(c) Principal of and interest on the Bonds will be paid solely from ad valorem taxes collected by the District and investment earnings on such collections.

(d) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Bonds are delivered, the District reasonably expects that the proceeds of the Bonds will not be used in a manner that would cause the Bonds or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(e) At all times while the Bonds are outstanding, the District will identify and properly account for all amounts constituting gross proceeds of the Bonds in accordance with the Regulations. The District will monitor the yield on the investments of the proceeds of the Bonds and, to the extent required by the Code and the Regulations, will restrict the yield on such investments to a yield which is not materially higher than the yield on the Bonds. To the extent necessary to prevent the Bonds from constituting “arbitrage bonds,” the District will make such payments as are necessary to cause the yield on all yield restricted nonpurpose investments allocable to the Bonds to be less than the yield that is materially higher than the yield on the Bonds.

(f) The District will not take any action or knowingly omit to take any action that, if taken or omitted, would cause the Bonds to be treated as “federally guaranteed” obligations for purposes of Section 149(b) of the Code.

(g) The District represents that not more than fifty percent (50%) of the proceeds of the Bonds will be invested in nonpurpose investments (as defined in Section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the District reasonably expects that at least eighty-five percent (85%) of the spendable proceeds of the Bonds will be used to carry out the governmental purpose of the Bonds within the three-year period beginning on the date of issue of the Bonds.

(h) The District will take all necessary steps to comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Bonds, if any, be rebated to the federal government. Specifically, the District will (i) maintain records regarding the receipt, investment, and expenditure of the gross proceeds of the Bonds as may be required to calculate such excess arbitrage profits separately from records of amounts on deposit in the funds and accounts of the District allocable to other obligations of the District or moneys which do not represent gross proceeds of any obligations of the District and retain such records for at least six years after the day on which the last outstanding Bond is discharged, (ii) account
for all gross proceeds under a reasonable, consistently applied method of accounting, not employed as an artifice or device to avoid in whole or in part, the requirements of Section 148 of the Code, including any specified method of accounting required by applicable Regulations to be used for all or a portion of any gross proceeds, (iii) calculate, at such times as are required by applicable Regulations, the amount of excess arbitrage profits, if any, earned from the investment of the gross proceeds of the Bonds and (iv) timely pay, as required by applicable Regulations, all amounts required to be rebated to the federal government. In addition, the District will exercise reasonable diligence to assure that no errors are made in the calculations required by the preceding sentence and, if such an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter, including payment to the federal government of any delinquent amounts owed to it, interest thereon and any penalty.

(i) The District will not directly or indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if such arrangement had been at arm's length and had the yield on the Bonds not been relevant to either party.

(j) The District will timely file or cause to be filed with the Secretary of the Treasury of the United States the information required by Section 149(e) of the Code with respect to the Bonds on such form and in such place as the Secretary may prescribe.

(k) The District will not issue or use the Bonds as part of an “abusive arbitrage device” (as defined in Section 1.148-10(a) of the Regulations). Without limiting the foregoing, the Bonds are not and will not be a part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the Regulations, by (i) enabling the District to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (ii) increasing the burden on the market for tax-exempt obligations.

(l) Proper officers of the District charged with the responsibility for issuing the Bonds are hereby directed to make, execute and deliver certifications as to facts, estimates or circumstances in existence as of the date of issuance of the Bonds and stating whether there are facts, estimates or circumstances that would materially change the District's expectations. On or after the date of issuance of the Bonds, the District will take such actions as are necessary and appropriate to assure the continuous accuracy of the representations contained in such certificates.

(m) The covenants and representations made or required by this Section are for the benefit of the Bond holders and any subsequent Bond holder, and may be relied upon by the Bond holders and any subsequent Bond holder and bond counsel to the District.

In complying with the foregoing covenants, the District may rely upon an unqualified opinion issued to the District by nationally recognized bond counsel that any action by the District or reliance upon any interpretation of the Code or Regulations contained in such opinion...
will not cause interest on the Bonds to be includable in gross income for federal income tax purposes under existing law.

Notwithstanding any other provision of this Resolution, the District's representations and obligations under the covenants and provisions of this Section shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion of interest on the Bonds from the gross income of the owners for federal income tax purposes.

SECTION 10.02 DESIGNATION AS QUALIFIED TAX-EXEMPT BONDS. The Pricing Officer is authorized to designate the Bonds as “qualified tax-exempt obligations” as defined in section 265(b)(3) of the Code, if the District qualifies to make such designation at the time of the pricing of the Bonds, conditioned upon the purchaser identified in the Pricing Certificate certifying that the aggregate initial offering price of the Bonds to the public (excluding any accrued interest) is no greater than $10,000,000 (or such amount permitted by section 265 of the Code). Assuming such condition is met and the Pricing Officer makes such designation in the Pricing Certificate, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than $10,000,000 (or such amount permitted by section 265 of the Code) of “qualified tax-exempt obligations” being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed $10,000,000 (or such amount permitted by section 265 of the Code); and, (c) that the District will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered “private activity bonds” within the meaning of section 141 of the Code. The Pricing Officer may modify the foregoing representations, covenants and warranties in the Pricing Certificate as necessary and appropriate to comply with applicable provisions of the Code in existence at the time of pricing of the Bonds.

ARTICLE ELEVEN

ADDITIONAL BONDS, SPECIAL PROJECT BONDS AND REFUNDING BONDS; MAINTENANCE AND OPERATION; INSURANCE

SECTION 11.01 ADDITIONAL BONDS, SPECIAL PROJECT BONDS AND REFUNDING BONDS. The District expressly reserves and shall hereafter have the right to issue in one or more installments such other combination unlimited tax and revenue bonds as were authorized at the Confirmation Election and as may hereafter be authorized at subsequent elections. Such bonds may be payable from and equally secured by a pledge of and lien on the Net Revenues of the System to the same extent as pledged and in all things on a parity with the lien of these bonds.

Furthermore, the District expressly reserves and shall hereafter have the right to issue in one or more installments the following:

(a) Additional Revenue Bonds. The District expressly reserved the right to issue additional bonds payable solely from Net Revenues of the System, as set forth
above, for the purpose of completing, repairing, improving, extending, enlarging
or replacing the System, and such bonds may be payable from and equally
secured by a lien on and pledge of said Net Revenues on a parity with the pledge
thereof for these Bonds. Provided, however, that before the District can issue
additional parity bonds payable solely from the revenues of the System, an
independent certified public accountant shall certify that the Net Revenues of the
System for the previous fiscal year have been equal to at least 1.25 times the
average annual requirements for principal and interest of the then outstanding
bonds of the District payable in whole or in part from the Net Revenues of the
System, and a registered professional engineer shall certify that the anticipated
Net Revenues of the System will equal at least 1.50 times the average annual
requirements for payment of the then outstanding bonds of the District payable in
whole or in part from the revenues of the System plus the additional bonds
proposed to be issued; however, such certificates shall not be required for the
issuance of additional bonds payable solely from ad valorem taxes or for
additional bonds payable from both ad valorem taxes and net revenues of the
System.

(b) Inferior Lien Bonds. The District also reserves the right to issue inferior lien
bonds and to pledge the Net Revenues of the System to the payment thereof, such
pledge to be subordinate in all respects to the lien of these Bonds and any
previously issued combination unlimited tax and revenue or revenue bonds on a
parity with the bonds of this series.

(c) Special Project Bonds. The District further reserves the right to issue special
project bonds for the purchase, or repair of water, sewer and/or drainage facilities
necessary under a contract or contracts with persons, corporations, municipal
corporations, political subdivisions or other entities, such special project bonds to
be payable from and secured by the proceeds of such contract or contracts. The
District further reserves the right to fund such bonds.

(d) Refunding Bonds. The District further reserves the right to refund any of these
bonds or additional combination unlimited tax and revenue or revenue bonds subject to prior redemption, or any bond the bearers of which have consented to
have refunded, and the refunding bonds so issued shall enjoy complete equality of
lien with the remaining bonds not refunded, if any such bonds remain, and the
refunding bonds so issued shall enjoy the priority of lien enjoyed by the bonds
being refunded.

SECTION 11.02 MAINTENANCE AND OPERATIONS; INSURANCE. While
any of the Bonds or Additional Bonds are outstanding, the District covenants and agrees to
maintain the System in good condition and operate the same in an efficient manner and at
reasonable expense, and to maintain insurance on the System, for the benefit of the holder or
holders of said bonds, of a kind and in an amount which usually would be carried by private
companies engaged in a similar type of business and which will insure the District against claims
for which it can be liable under the Texas Tort Claims Act, or any amendment thereof, or any
similar law.

DEFAULT PROVISIONS

SECTION 12.01 DEFAULT AND REMEDIES

At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied as provided in this
Resolution, and such principal and interest shall be payable solely from such money or Defeasance Securities.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the outstanding Bonds consents to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling the Bonds in the primary offering of the Bonds, giving effect to (x) such provisions as so amended and (y) any amendments or interpretations of the Rule.

THE PARTICULAR TERM BONDS to be redeemed shall be selected by the Registrar by lot or other customary random selection method, on or before July 1 of each year in which Term Bonds are to be mandatorily redeemed. The principal amount of Term Bonds to be mandatorily redeemed in each year shall be reduced by the principal amount of such Term Bonds that have been optionally redeemed on or before July 1 of such year and which have not been made the basis for a previous reduction.\(^{+}\)

AT LEAST 30 calendar days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Bond to be redeemed at its address as it appeared on the Register on the 45th calendar day prior to such redemption date at least 30 days prior to the date fixed for redemption and to major securities depositaries and bond information services. By the date fixed for any such redemption due provision shall be made with the Registrar for the payment of the required redemption price for the Bonds or portions for which such payment is made, all as provided above. The Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Resolution.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

\(^{+}\) Use of Term Bonds, if any, to be determined by the Pricing Officer.
ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the principal denomination in the case of the Bonds, of any integral multiple of $5,000. As provided in the Resolution, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Registrar’s reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Registrar shall not be required to make any such transfer, conversion or exchange of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or Interest Payment Date or (ii) within 45 calendar days prior to its redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the Registered Owner of the unredeemed balance hereof in the event of its redemption in part.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenant in the Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are payable from the proceeds of an ad valorem tax, without legal limit as to rate or amount, levied upon all taxable property within the District and by a pledge of and lien on the Net Revenues of the District’s System (as such terms are defined in the Resolution). The Resolution provides that the District reserves the right to consolidate with one or more conservation and reclamation districts, to consolidate its waterworks and sewer systems with the systems of such districts, and to secure the Bonds and any other bonds of the District or such
districts by a pledge of the net revenues of the consolidated system. The Resolution further provides that the pledge of taxes, to the payment of the Bonds shall terminate at such time, if ever, as (i) money and/or defeasance obligations in an amount sufficient to defease the Bonds is deposited with or made available to the Registrar in accordance with the Resolution or (ii) a city dissolves the District, and assumes the obligations of the District pursuant to existing Texas law. Reference is hereby made to the Resolution for provisions with respect to the operation and maintenance of the District’s facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Registered Owners of the Bonds. By acceptance of this Bond the Registered Owner hereof consents to all of the provisions of the Resolution, a certified copy of which is on file in the office of the District.

**THE DISTRICT EXPRESSLY RESERVES THE RIGHT** to issue additional bonds payable from taxes and also secured by a pledge of and lien on the Net Revenues to be derived from the operation of the District’s System. Said additional tax and revenue bonds may be in all respects on a parity and of equal dignity with the Bonds. The District further reserves the right to issue refunding bonds in any manner permitted by law to refund any bonds (including the Bonds) at or prior to their respective dates of maturity or redemption.

**THE OBLIGATION** to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the Registered Owner of this Bond.

**TO THE EXTENT** permitted by and in the manner provided in the Resolution, the terms and provisions of the Resolution and the rights of the Registered Owners of the Bonds may be modified with, in certain circumstances, the consent of the Registered Owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the Registered Owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

**THIS BOND** shall not be valid or obligatory for any purpose or be entitled to any benefit under the Resolution unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Registrar.
IT IS FURTHER CERTIFIED that the District has designated the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b) of the Internal Revenue Code of 1986. *

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice-President of the Board of Directors of the District and countersigned with the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.
