Additional Backup Information:

The subject property, which is accessible by way of FM 620, is contiguous to full purpose jurisdiction on its northern boundary. The property is in limited purpose jurisdiction that was annexed in 1984. The proposed full purpose annexation is in combination with a zoning change request (C14-2020-0012) for Multifamily Residence-Low Density (MF-2). The annexation is scheduled to run parallel with the zoning request.

Before a municipality may adopt an ordinance annexing an area on request of the owner, the governing body must negotiate and enter into a written agreement with the property owner for the provision of services in the area. State law also requires a municipality to conduct a public hearing to provide persons interested in annexation the opportunity to be heard. The City Council may adopt an ordinance annexing the area for full purposes at the conclusion of the public hearing.

Staff recommends City Council conduct the public hearing and approve an ordinance as required by Texas law for the owner-initiated full purpose annexation of 9.4 acres in Travis County near N FM 620 and Anderson Mill Rd.
