Additional Backup Information:

If approved, the resolution will allow Austin Affordable PFC, Inc. (the Issuer), a public facilities corporation created under Texas Local Government Code Section 303.002, and affiliated with the Housing Authority of the City of Austin (HACA), to issue Multi-family Housing Revenue bonds to help finance the new construction of a 160-unit multi-family rental development to be located within the City.

The applicant for bond financing is Austin Leased Housing Associates IV, Limited Partnership. The developer will also be applying for an award of non-competitive 4% tax credits from the Texas Department of Housing and Community Affairs.

The Issuer induced the issuance of up to \$30,000,000 in Multi-family Housing Revenue Bonds that will partially fund the acquisition and rehabilitation of this rental development. On April 15, 2020, the Issuer conducted the public hearing required under the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA). A picture of the public notice of the TEFRA hearing from HACA's website and a transcript of the TEFRA hearing is included as backup.

Before the bonds may be issued, TEFRA requires the local governmental entity where the development is located give its approval for the bonds to be issued. Approving the issuance of these bonds does not constitute any obligation of the City with respect to repayment of the bonds. Since the Issuer has demonstrated compliance with TEFRA, staff recommends approving the resolution.

The proposed development's application to the City, as well as socioeconomic characteristics and amenities in the surrounding area, may be found at <https://austintexas.gov/page/current-applications>.

Strategic Outcome(s):
