

COVID-19 Spending Framework

City Council Work Session • May 28, 2020

Agenda

- Reorganization of Spending Framework since May 19 Work Session
- Emergency Response Spending Framework
- Health Spending Framework
 - Austin Public Health
- Economic Recovery Spending Framework
 - Neighborhood Housing and Community Development
 - Austin Economic Development Department
- Presenters:

Veronica Briseño, Chief Economic Recovery Officer	Sylvia Holt-Rabb, Acting EDD Director
Stephanie Hayden, APH Director	Jon Hockenyos, President, TXP Inc.
Rosie Truelove, NHCD Director	Ed Van Eenoo, Deputy Chief Financial Officer

Reorganization of Spending Framework

- Changes to organization of framework, *not funding priorities*
- Split funding for Council initiatives into program components
 - e.g. \$15 million for RISE is now spread across financial and direct support, food assistance, and rental assistance programs
 - Named initiatives now listed in Funding Notes column
- Added \$2 million to Workforce Development for Austin Conservation Corp
 - Estimated funding a combination of existing department budgets and the Coronavirus Relief Fund
- Reclassified \$2.3 million from the *testing* category to the *protection of vulnerable populations* category
- Contingency funds split between Emergency Response and Medical and Public Health Needs

Emergency Response Summary

Overall Recommendation: \$105.5M

- \$30M COVID-19 emergency management
 - Emergency Operations
 - Direct Pandemic Response
 - Changes to department operations
- \$68M for department operating expenses substantially dedicated to COVID-19 response
- \$7.5M emergency response contingency

Medical and Public Health Summary

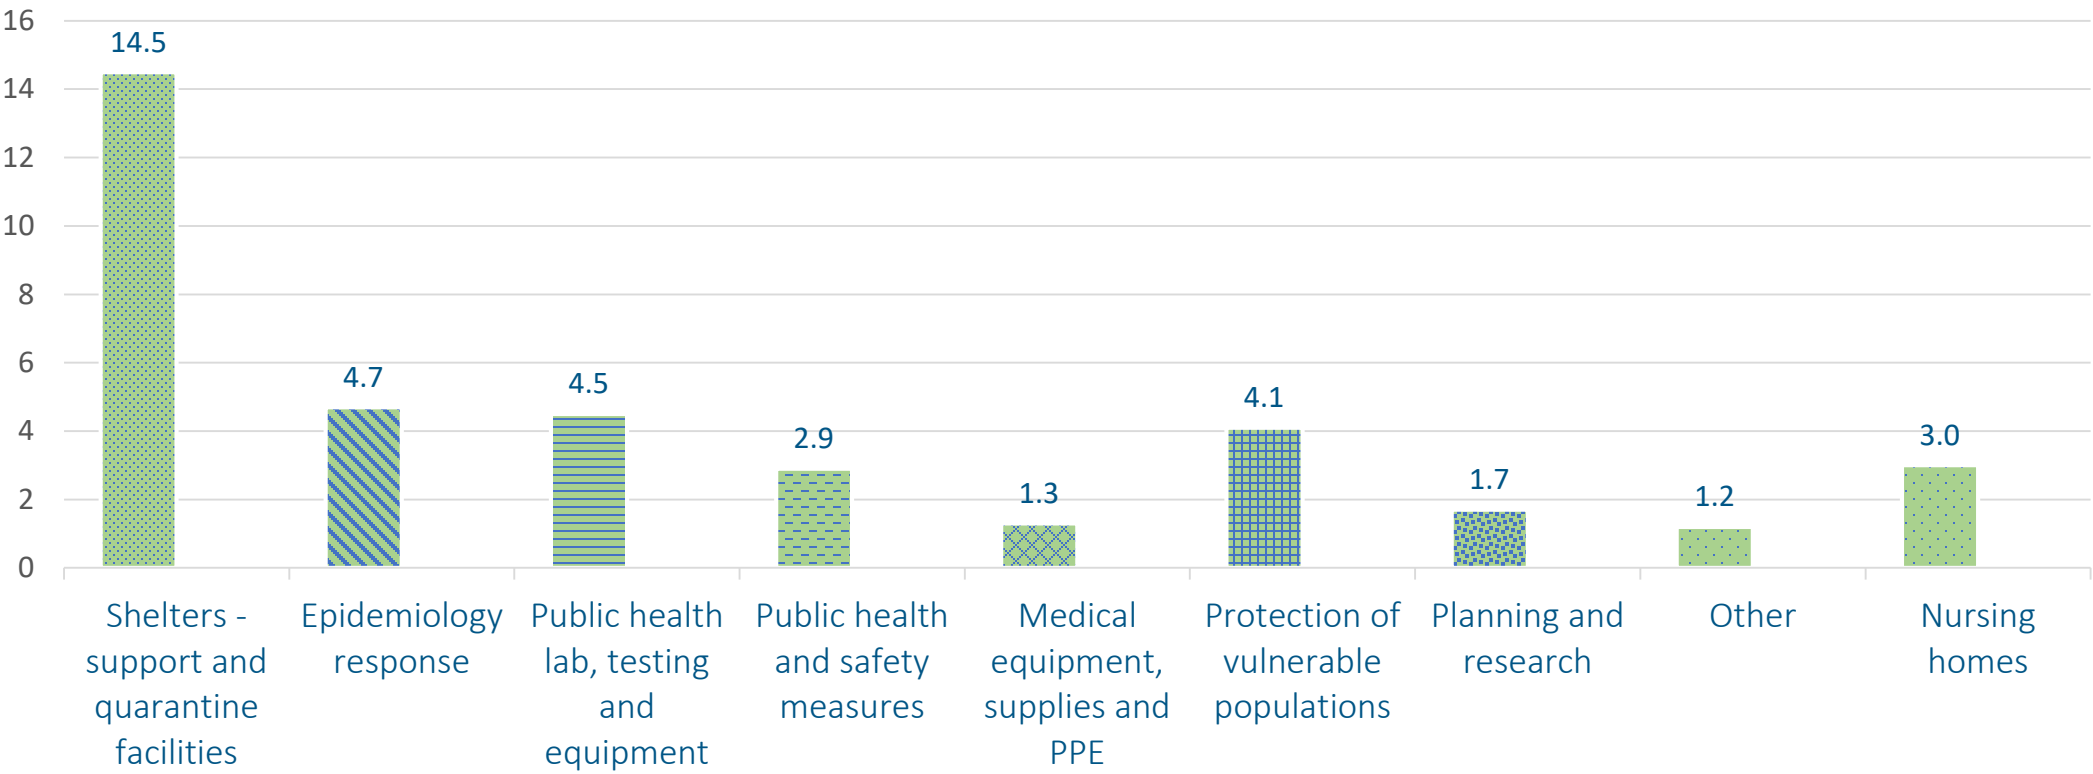

Overall Recommendation: \$62.9M

- \$8.1M in temporary staffing
 - 253 temporary staff
 - Case investigation, contact tracing, public information and language access, testing, shelter services and contract management
- \$29.8M in contractuals and commodities
 - Nursing home testing, study and strike teams
 - Public health lab, testing and equipment
 - Medical equipment and supplies
 - Shelters and quarantine facilities
- Over three-fourths of the recommendation focused on epidemiology response, testing and sheltering and support of vulnerable populations.
- \$25M for public health contingency

 - 4,443 non-profit organizations in Austin
 - Roughly 21,000 non-profit sector workers

Childcare Support – \$2M

Childcare Support Fund - \$2M

- Grants up to \$20,000 for child care centers in Austin.
 - Phase One: \$1.0M (Allocated by City Council through Resolution 20200507-023)
 - Phase Two: \$1.0M (Recommended)
- Eligibility criteria:
 - Serving families that receive childcare subsidies,
 - Have at least a 2-star rating under the Texas Rising Star system,
 - Have not received Payroll Protection Plan money through CARES Act,
 - Have been impacted by COVID-19 related disruptions, and/or
 - Have virus mitigation and protective equipment needs.

Technical Assistance – \$1M

Technical Assistance Support Fund - \$1M

- Contracted services to provide free technical assistance for businesses and non-profit organizations.
- The funds will be utilized to procure contractors (or expand existing contracts) to support development of outreach, curriculum development and technical assistance to achieve increased support in:
 - Organizational Disaster Recovery/Resiliency
 - Capacity Building and COVID Compliance
 - Non-Profit Operations/Management

Financial & Direct Support – \$15.5M

Immediate Financial Support for Individuals - \$15.5M

- Immediate financial support for individuals impacted by COVID-19.
- Funds are intended to serve vulnerable populations and individuals who are waiting for test results and/or test positive.
- The following agencies were initially awarded funding to provide community-based services and financial assistance:
 - Catholic Charities - \$1.6M
 - Asian Family Support Services - \$1M
 - El Buen Samaritano - \$0.5M
 - Austin Area Urban League - \$0.5M
 - Family Independent Initiative - \$2M

Food Assistance – \$5.4M

Food Assistance - \$5.4M

- Direct and contracted food provision to address food insecurity created by COVID-19.
- Funds can be used to pay expenses for food delivery to residents.
- Target populations:
 - Caregiver meals delivered through Austin Independent School District and Del Valle Independent School District school meal distribution sites
 - Vulnerable populations

Worker and Customer Safety – \$2.5M

PPE and Business Modification Grants- \$1M

- Grants for the procurement of personal protective equipment and the modification of businesses to COVID-compliant standards for safe re-opening.

Employee Medical Assistance Program - \$1.5M

- Contract with counseling services provider to expand access for workers dealing with COVID-related mental health challenges.
- Targeted specifically to low- and moderate-income workers without employer-provided access to healthcare in customer-facing roles.

Workforce Development – \$2M

Austin Conservation Corps - \$2M

- Employment of individuals who have been economically impacted by compliance with COVID-19 related public health measures.
- The program will rely on a combination of funding previously approved in the City’s budget the Coronavirus Relief Fund, and potentially other regional partners. Potential existing program areas under exploration include:
 - Conservancy Projects – Austin Water, Watershed Protection, and Parks and Recreation
 - Wildfire Fuel Mitigation – Austin Fire Department
 - Urban Forest Replenishment – Development Services Department
 - Temporary exhibition of public art across Austin (TEMPO) – Economic Development Department
