

RESOLUTION NO.

WHEREAS, The Austin City Council has articulated a new strategic direction for policing and public safety in countless resolutions, ordinances, budget directions and guidance; and

WHEREAS, Resolution No. 20191205-066 directed the City Manager to investigate and improve the very inner workings of the Austin Police Department, including training protocols, practices, and officer behaviors; and

WHEREAS, the City of Austin supports policies that reduce the unnecessary use of force by police, enhance implicit-bias and de-escalation training, expand civilian oversight of the Austin Police Department, and improve relations between police and those they serve; and

WHEREAS, recent police action showed that sworn officers of the Austin Police Department fired rubber bullets, bean bag rounds and tear gas into crowds and sent unarmed protesters to the hospital; and

WHEREAS, more than two dozen community leaders presented a letter to City Council demanding that the leadership at the top of our city's public safety system be replaced with individuals who support and are willing to enact the reforms passed by City Council; and

19 **WHEREAS**, the elected members of City Council have no confidence that
20 current Austin Police Department leadership intends to implement the policy and
21 culture changes required to end the disproportionate impact of police violence on
22 Black Americans, Latinx Americans, other nonwhite ethnic communities, and
23 returning and low-income residents; and

24 **WHEREAS**, the measures that current Austin Police Department leadership
25 have been willing to implement are inadequate, and resemble the same flawed
26 police training and command expectations that have existed in the past; and

27 **WHEREAS**, Austin's 911 system, managed by the Austin Police
28 Department, continues to send armed police to address problems that would be
29 better met with an alternative response; and

30 **WHEREAS**, the COVID-19 global pandemic requires us to carefully
31 reconsider how the City allocates FY2021 funds in order to address the needs of
32 desperately impacted residents; and

33 **WHEREAS**, the greater Austin area has lost 100,000 jobs during the
34 COVID-19 global pandemic and closures, and the Austin City Council actively
35 supports the need to edify budget spending priorities to address this regional
36 socioeconomic crisis; and

37 **WHEREAS**, the FY 2020-2021 budget is scheduled to be adopted in
38 August 2020; and

39 **WHEREAS**, the budget for the Austin Police Department is the City's
40 single largest General Fund expenditure, comprising approximately 40% of the
41 City of Austin's General Fund budget, leaving fewer resources available for other
42 public safety strategies that could better serve our community's needs and long-
43 term goals; and

44 **WHEREAS**, according to the U.S. Department of Justice's Bureau of
45 Justice Statistics, public expenditure on policing in the United States more than
46 quadrupled between 1982 and 2006, with no clear correlation between increased
47 spending and lower violent crime rates; and

48 **WHEREAS**, a Prison Policy Initiative 2017 report explicated that local
49 governments nationwide spend approximately \$13.6 billion on incarceration and
50 over-criminalization; and

51 **WHEREAS**, the budget is a reflection of the City of Austin's morals,
52 overarching vision, and strategic direction; and

53 **WHEREAS**, starting in FY16, the Council set a goal of increasing spending
54 on social service contracts to better align with community needs; and

55 **WHEREAS**, the City Charter grants Council final authority over budget
56 decisions; **NOW, THEREFORE**,
