RESOLUTION NO.

WHEREAS, The Austin City Council has articulated a new strategic direction for policing and public safety in countless resolutions, ordinances, budget directions and guidance; and

WHEREAS, Resolution No. 20191205-066 directed the City Manager to investigate and improve the very inner workings of the Austin Police Department, including training protocols, practices, and officer behaviors; and

WHEREAS, the City of Austin supports policies that reduce the unnecessary use of force by police, enhance implicit-bias and de-escalation training, expand civilian oversight of the Austin Police Department, and improve relations between police and those they serve; and

WHEREAS, recent police action showed that sworn officers of the Austin Police Department fired rubber bullets, bean bag rounds and tear gas into crowds and sent unarmed protesters to the hospital; and

WHEREAS, more than two dozen community leaders presented a letter to City Council demanding that the leadership at the top of our city's public safety system be replaced with individuals who support and are willing to enact the reforms passed by City Council; and
WHEREAS, the elected members of City Council have no confidence that current Austin Police Department leadership intends to implement the policy and culture changes required to end the disproportionate impact of police violence on Black Americans, Latinx Americans, other nonwhite ethnic communities, and returning and low-income residents; and

WHEREAS, the measures that current Austin Police Department leadership have been willing to implement are inadequate, and resemble the same flawed police training and command expectations that have existed in the past; and

WHEREAS, Austin's 911 system, managed by the Austin Police Department, continues to send armed police to address problems that would be better met with an alternative response; and

WHEREAS, the COVID-19 global pandemic requires us to carefully reconsider how the City allocates FY2021 funds in order to address the needs of desperately impacted residents; and

WHEREAS, the greater Austin area has lost 100,000 jobs during the COVID-19 global pandemic and closures, and the Austin City Council actively supports the need to edify budget spending priorities to address this regional socioeconomic crisis; and

WHEREAS, the FY 2020-2021 budget is scheduled to be adopted in August 2020; and
WHEREAS, the budget for the Austin Police Department is the City’s single largest General Fund expenditure, comprising approximately 40% of the City of Austin's General Fund budget, leaving fewer resources available for other public safety strategies that could better serve our community’s needs and long-term goals; and

WHEREAS, according to the U.S. Department of Justice’s Bureau of Justice Statistics, public expenditure on policing in the United States more than quadrupled between 1982 and 2006, with no clear correlation between increased spending and lower violent crime rates; and

WHEREAS, a Prison Policy Initiative 2017 report explicated that local governments nationwide spend approximately $13.6 billion on incarceration and over-criminalization; and

WHEREAS, the budget is a reflection of the City of Austin’s morals, overarching vision, and strategic direction; and

WHEREAS, starting in FY16, the Council set a goal of increasing spending on social service contracts to better align with community needs; and

WHEREAS, the City Charter grants Council final authority over budget decisions; NOW, THEREFORE,
