RESOLUTION NO.

WHEREAS, The Austin City Council has articulated a new strategic direction for policing and public safety in countless resolutions, ordinances, budget directions and guidance; and

WHEREAS, Resolution No. 20191205-066 directed the City Manager to investigate and improve the very inner workings of the Austin Police Department, including training protocols, practices, and officer behaviors; and

WHEREAS, the City of Austin supports policies that reduce the unnecessary use of force by police, enhance implicit-bias and de-escalation training, expand civilian oversight of the Austin Police Department, and improve relations between police and those they serve; and

WHEREAS, recent police action showed that sworn officers of the Austin Police Department fired rubber bullets, bean bag rounds and tear gas into crowds and sent unarmed protesters to the hospital; and

WHEREAS, more than two dozen community leaders presented a letter to City Council demanding that the leadership at the top of our city's public safety system be replaced with individuals who support and are willing to enact the reforms passed by City Council; and

WHEREAS, the elected members of City Council have no confidence that current Austin Police Department leadership intends to implement the policy and
culture changes required to end the disproportionate impact of police violence on
Black Americans, Latinx Americans, other nonwhite ethnic communities, and
returning and low-income residents; and

WHEREAS, the measures that current Austin Police Department leadership
have been willing to implement are inadequate, and resemble the same flawed
police training and command expectations that have existed in the past; and

WHEREAS, Austin's 911 system, managed by the Austin Police
Department, continues to send armed police to address problems that would be
better met with an alternative response; and

WHEREAS, for Fiscal Year 2020 Council budgeted for the implementation
of a program of alternatives for first response to mental health crisis calls, and from
December 16, 2019 to June 4, 2020 of 23,333 calls for service with a mental health
component, 291 were transferred to a Crisis Center Counselor, indicating the need
for continued development of additional alternatives and the resources to do so;
and

WHEREAS, the COVID-19 global pandemic requires us to carefully
reconsider how the City allocates FY2021 funds in order to address the needs of
disparately impacted residents; and

WHEREAS, the greater Austin area has lost 100,000 jobs during the
COVID-19 global pandemic and closures, and the Austin City Council actively
supports the need to edify budget spending priorities to address this regional
socioeconomic crisis; and

WHEREAS, the FY 2020-2021 budget is scheduled to be adopted in
August 2020; and

WHEREAS, the budget for the Austin Police Department is the City’s
single largest General Fund expenditure, comprising approximately 40% of the
City of Austin's General Fund budget, leaving fewer resources available for other
public safety strategies that could better serve our community’s needs and long-
term goals; and

WHEREAS, according to the U.S. Department of Justice’s Bureau of
Justice Statistics, public expenditure on policing in the United States more than
quadrupled between 1982 and 2006, with no clear correlation between increased
spending and lower violent crime rates; and

WHEREAS, a Prison Policy Initiative 2017 report explicated that local
governments nationwide spend approximately $13.6 billion on incarceration and
over-criminalization; and

WHEREAS, the budget is a reflection of the City of Austin’s morals,
overarching vision, and strategic direction; and

WHEREAS, starting in FY16, the Council set a goal of increasing spending
on social service contracts to better align with community needs; and
WHEREAS, the City Charter grants Council final authority over budget decisions; NOW, THEREFORE,
