The aggregate principal amount and the designation of Obligations issued pursuant to this Ordinance shall be set forth in the Bond Purchase Agreement. The Obligations shall be numbered consecutively from R-1 upward, except the Initial Obligation shall be numbered T-1.

PART 4. SALE PARAMETERS.

(a) The Obligations shall be issued in any Authorized Denomination as fully registered obligations, without interest coupons, payable to the respective initial registered owners of the Obligations, or to the registered assignee or assignees of the Obligations, maturing

not later than 25 years from their issue date, payable serially or otherwise on the dates, in the years and in the principal amounts, and dated, all as set forth in the Bond Purchase Agreement.

(b) In accordance with Chapter 1371, Council authorizes each Authorized Representative to act on behalf of the City in selling and delivering the Obligations and carrying out the other procedures specified in this Ordinance, including determining and fixing the number of series and the designation or title by which any series of the Obligations sold shall be known and, with respect to any series of Obligations, the purposes and aggregate principal amount of the Obligations sold, the dated date and the date of initial delivery of the Obligations sold, the price at which the Obligations will be sold, the years in which the Obligations will mature, the principal amount of Obligations to mature in each of such years, the rate or rates of interest to be borne by or accrue on each maturity, the interest payment periods and interest payment dates, the record date, the dates, prices, and terms upon and at which the Obligations shall be subject to redemption (including provisions for optional and mandatory redemption), and all other terms, details and matters relating to the Obligations and their issuance, sale and delivery, including, without limitation, obtaining a municipal bond insurance policy in support of the Obligations, all of which shall be specified in the Bond Purchase Agreement; *provided*, that (i) the price to be paid for the Obligations shall not be less than 95% of the aggregate principal amount of the Obligations sold, plus accrued interest, if any, (ii) the Obligations shall not bear interest at a rate greater than the maximum rate allowed by Chapter 1204, (iii) the Obligations shall not have a final maturity beyond November 1, 2030, and (iv) prior to the execution of the Bond Purchase Agreement by an Authorized Representative, the Obligations shall be rated by a nationally recognized rating agency for municipal securities in one of the four highest rating categories for long-term debt instruments.

It is in the best interests of the City for the Obligations to be sold through a negotiated sale, and Council authorizes each Authorized Representative, individually but not collectively, to execute the Bond Purchase Agreement to evidence the acceptance by the City of the terms and conditions relating to the sale of the Bonds, at the price the Authorized Representative executing the Bond Purchase Agreement determines to be the most advantageous to the City. PART 7. ADDITIONAL CHARACTERISTICS OF THE OBLIGATIONS.

(a) The City shall keep, or cause to be kept, at the Designated Payment/Transfer Office, the Registration Books, and the Paying Agent/Registrar shall act as the registrar and transfer agent for the City to keep books or records and make the transfers and registrations under the reasonable regulations as the City and the Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make transfers and registrations as provided in this Ordinance. It shall be the duty of the Paying Agent/Registrar to obtain from the Registered Owner and record in the Registration Books the address of the Registered Owner to which payments with respect to the Obligations shall be mailed, as provided in this Ordinance. The City, or its designee, shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. Ownership of each Obligation may be transferred in the Registration Books only upon presentation and surrender of the Obligation to the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing the assignment of the Obligation, or any portion of the Obligation, in any Authorized Denomination, to the assignee or assignees, and the right of the assignee or assignees to have the Obligation or any portion of the Obligation registered in the name of the assignee or assignees. Upon the assignment and transfer of any Obligation, a new substitute obligation or obligations shall be issued in exchange for the Obligation in the manner provided in this Ordinance.

(b) The entity in whose name any Obligation shall be registered in the Registration Books at any time shall be treated as the absolute owner of the Obligation for all purposes of this Ordinance, whether the Obligation shall be overdue, and the City and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any Obligation shall be made only to the Registered Owner. All payments shall be valid and effectual to satisfy and discharge the liability on the Obligation to the extent of the sum or sums so paid.

(c) The Paying Agent/Registrar shall act as the paying agent for paying the principal of, premium, if any, and interest on, the Obligations, and to act as the agent of the City to exchange or replace Obligations, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Obligations, and of all exchanges and replacements, as provided in this Ordinance.

(d) Each Obligation may be exchanged for fully registered obligations as set forth in this Ordinance. Each Obligation issued and delivered pursuant to this Ordinance may, upon surrender at the Designated Payment/Transfer Office, together with a written request duly executed by the Registered Owner or its assignee or assignees, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, at the option of the Registered Owner or its assignee or assignees, as appropriate, be exchanged for fully registered obligations, without interest coupons, in the form prescribed in the Form of Obligation, in any Authorized Denomination (subject to the requirement stated below that each substitute Obligation shall have a single stated maturity date), as requested in writing by the Registered Owner or its assignee or assignees, in an aggregate principal amount equal to the unredeemed principal amount of any Obligation or Obligations so surrendered, and payable to the appropriate Registered Owner, assignee, or assignees. If a portion of any Obligation is assigned and transferred, each Obligation issued in exchange shall have the same maturity date and bear interest at the same rate as the Obligation for which it is being exchanged. Each substitute Obligation shall bear a letter and/or number to distinguish it from each other Obligation. The Paying Agent/Registrar shall exchange or replace Obligations as provided in this Ordinance, and each fully registered Obligation delivered in exchange for or replacement of any Obligation or portion of an Obligation as permitted or required by any provision of this Ordinance shall constitute one of the Obligations for all purposes of this Ordinance, and may again be exchanged or replaced. Any Obligation delivered in exchange for or replacement of another Obligation before the first scheduled interest payment date on the Obligations (as stated on the face of the Obligation) shall be dated the same date, but each substitute Obligation delivered on or after the first scheduled interest payment date shall be dated the interest payment date preceding the date on which the substitute Obligation is delivered, unless the substitute Obligation is delivered on an interest payment date, in which case it shall be dated as of the date of delivery; however, if at the time of delivery of any substitute Obligation the interest on the Obligation for which it is being exchanged has not been paid, then the substitute Obligation shall be dated the date to which interest has been paid in full. On each substitute Obligation issued in exchange for or replacement of any Obligation issued under this Ordinance there shall be printed on the Obligation the Authentication Certificate. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any substitute Obligation, date the substitute Obligation in the manner set forth above, and manually sign and date the Authentication Certificate, and no substitute Obligation shall be considered to be issued or outstanding unless the Authentication Certificate is executed. The Paying Agent/Registrar promptly shall cancel all Obligations surrendered for exchange or replacement. No additional ordinances, orders, or resolutions need be passed or adopted by Council or any other body or person to accomplish the exchange or replacement of any Obligation, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Obligations in the manner prescribed in this Ordinance. Pursuant to Chapter 1206, the duty of exchange or replacement of any Obligation is imposed on the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced obligation shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Obligation which originally was delivered pursuant to this Ordinance, approved by the Texas Attorney General, and registered by the Comptroller.

(e) All Obligations issued in exchange or replacement of any other Obligation or portion of an Obligation (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on the Obligations to be payable only to the Registered Owners, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be exchanged for other Obligations, (v) shall have the characteristics, (vi) shall be

signed and sealed, and (vii) the principal of and interest on the Obligations shall be payable, all as provided, and in the manner required or indicated in this Ordinance and the Bond Purchase Agreement.

(f) The City shall pay the Paying Agent/Registrar's reasonable and customary fees and charges for making transfers of Obligations, but the Registered Owner of any Obligation requesting the transfer shall pay any taxes or other governmental charges required for the transfer. The Registered Owner of any Obligation requesting any exchange shall pay the Paying Agent/Registrar's reasonable and standard or customary fees and charges for exchanging any Obligation or a portion of an Obligation, together with any required taxes or governmental charges, all as a condition precedent to the exercise of the privilege of exchange, except in the case of the exchange of an assigned and transferred Obligation or Obligations or any portion or portions in any Authorized Denomination, the fees and charges will be paid by the City. In addition, the City covenants with the Registered Owners of the Obligations that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Obligations, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer or registration of Obligations, and with respect to the exchange of Obligations solely to the extent stated above.

(g) An Authorized Representative is authorized to execute and deliver the Paying Agent/Registrar Agreement. The City covenants with the Registered Owners of the Obligations that at all times while the Obligations are outstanding the City will provide a competent and legally qualified bank, trust company, or other entity duly qualified and legally authorized to act as and perform the services of Paying Agent/Registrar for the Obligations under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 60 days' written notice to the Paying Agent/Registrar. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise stop acting as such, the City covenants that it will promptly appoint a competent and legally qualified national or state banking institution organized and doing business under the laws of the United States of America or of any state, authorized under the laws to exercise trust powers, subject to supervision or examination by federal or state authority, and whose qualifications substantially are similar to the previous Paying Agent/Registrar to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy of these Registration Books), along with all other pertinent books and records relating to the Obligations, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice to be sent by the new Paying Agent/Registrar to each Registered Owner of the Obligations, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be considered to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

PART 8. FORM OF OBLIGATIONS.

The Obligations shall be signed with the manual or facsimile signatures of the Mayor and the City Clerk, and the seal of the City shall be affixed or impressed on the Obligations. The form of all Obligations, including the form of the Comptroller's Registration Certificate to

291 accompany the Initial Obligation, the form of the Authentication Certificate, and the Form of
292 Assignment to be printed on each Obligation, shall be, respectively, substantially in the form set
293 forth in Exhibit A, with such appropriate variations, omissions, or insertions as are permitted or
294 required by this Ordinance and the Bond Purchase Agreement.

295 **PART 9. LEVY OF TAX; INTEREST AND SINKING FUND.**

296 (a) The Interest and Sinking Fund (which may include the designation or title by
297 which a series of Obligations shall be known, as determined pursuant to PART 4(b) of this
298 Ordinance) is created and it shall be established and maintained at an official depository of the
299 City. The Interest and Sinking Fund shall be kept separate and apart from all other funds and
300 accounts of the City, and shall be used only for paying the interest on and principal of the
301 Obligations. All ad valorem taxes levied and collected for and on account of the Obligations
302 shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year
303 while any Obligation is outstanding and unpaid, Council shall compute and ascertain the rate and
304 amount of ad valorem tax, based on the latest approved tax rolls of the City, with full allowances
305 being made for tax delinquencies and costs of tax collections, which will be sufficient to raise
306 and produce the money required to pay the interest on the Obligations as the interest comes due,
307 and to provide a sinking fund to pay the principal of the Obligations as the principal matures, but
308 never less than 2% of the outstanding principal amount of the Obligations as a sinking fund each
309 year. The rate and amount of ad valorem tax needed to fund this obligation is ordered to be and is
310 hereby levied against all taxable property in the City for each year while any Obligation is
311 outstanding and unpaid, and the ad valorem tax shall be assessed and collected each year and
312 deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes necessary to pay
313 the interest on and principal of the Obligations, as the interest comes due, and the principal
314 matures as provided in the Bond Purchase Agreement, are pledged for this purpose, within the
315 limit set by law. The City appropriates from current funds on hand, and directs the transfer for
316 deposit into the Interest and Sinking Fund moneys as may be necessary to pay debt service on
317 the Obligations scheduled to occur prior to receipt of taxes levied to pay such debt service.
318 Money in the Interest and Sinking Fund, at the option of the City, may be invested in the
319 securities or obligations as permitted under applicable law and the City's investment policy.
320 Any securities or obligations in which money is invested shall be kept and held in trust for the
321 benefit of the owners of the Obligations and shall be sold and the proceeds of sale shall be timely
322 applied to the making of all payments required to be made from the Interest and Sinking Fund.
323 Interest and income derived from the investment of money in the Interest and Sinking Fund shall
324 be credited to the Interest and Sinking Fund.

325 (b) Should more than one series of Obligations be sold under authority of this
326 Ordinance, a separate interest and sinking fund will be created and maintained at an official
327 depository of the City to secure each series of Obligations.

328 (c) Chapter 1208 applies to the issuance of the Obligations and the pledge of ad
329 valorem taxes made under PART 9(a) of this Ordinance, and the pledge is valid, effective, and
330 perfected. If Texas law is amended at any time while any Obligation is outstanding and unpaid
331 so that the pledge of ad valorem taxes made by the City under PART 9(a) of this Ordinance is to
332 be subject to the filing requirements of Chapter 9, then to preserve to the Registered Owners of
333 the Obligations the perfection of the security interest in the pledge, the City agrees to take
334 measures as it determines are reasonable and necessary under Texas law to comply with the
335 applicable provisions of Chapter 9 and enable a filing to perfect the security interest in the
336 pledge.

337 **PART 10. DAMAGED, LOST, STOLEN OR DESTROYED OBLIGATIONS.**

338 (a) In the event any outstanding Obligation is damaged, mutilated, lost, stolen, or
339 destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered a new
340 obligation of the same principal amount, maturity, and interest rate as the damaged, mutilated,
341 lost, stolen, or destroyed Obligation in replacement for the Obligation in the manner provided in
342 this Ordinance.

343 (b) Application for replacement of any damaged, mutilated, lost, stolen, or destroyed
344 Obligation shall be made to the Paying Agent/Registrar. In every case of loss, theft, or
345 destruction of an Obligation, the applicant for a replacement obligation shall furnish to the City
346 and to the Paying Agent/Registrar the security or indemnity as may be required by them to save
347 each of them harmless from any loss or damage with respect to the Obligation. Also, in every
348 case of loss, theft, or destruction of an Obligation, the applicant shall furnish to the City and to
349 the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of the
350 Obligation. In every case of damage or mutilation of an Obligation, the applicant shall surrender
351 to the Paying Agent/Registrar for cancellation the damaged or mutilated Obligation.

352 (c) Notwithstanding clauses (a) and (b), in the event any Obligation shall have
353 matured, and there is no continuing default in the payment of the principal of, premium, if any,
354 or interest on the Obligation, the City may authorize its payment (without surrender except in the
355 case of a damaged or mutilated Obligation) instead of issuing a replacement Obligation, provided
356 security or indemnity is furnished as above provided in this PART.

357 (d) Prior to the issuance of any replacement Obligation, the Paying Agent/Registrar
358 shall charge the owner of the Obligation with all legal, printing, and other expenses in
359 connection with the replacement. Every replacement Obligation issued pursuant to the
360 provisions of this Ordinance by virtue of the fact that any Obligation is damaged, mutilated, lost,
361 stolen, or destroyed shall constitute a contractual obligation of the City whether the damaged,
362 mutilated, lost, stolen, or destroyed Obligation shall be found, or be enforceable by anyone, and
363 shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all
364 other Obligations duly issued under this Ordinance.

365 (e) In accordance with Chapter 1206, this PART constitutes authority for the issuance
366 of any such replacement Obligation without necessity of further action by Council or any other
367 body or person, and the duty of the replacement of the Obligations is authorized and imposed on
368 the Paying Agent/Registrar, subject to the conditions imposed by this PART, and the Paying
369 Agent/Registrar shall authenticate and deliver the Obligations in the form and manner and with
370 the effect, as provided in PART 7(d) of this Ordinance for Obligations issued in exchange for
371 other Obligations.

372 **PART 11. SUBMISSION OF PROCEEDINGS TO ATTORNEY GENERAL.**

373 The Mayor, or his designee, and each Authorized Representative, is authorized to have
374 control of the Obligations and all necessary records and proceedings pertaining to the
375 Obligations pending their delivery and their investigation, examination and approval by the
376 Texas Attorney General and their registration by the Comptroller. The City shall submit a single
377 contractual obligation to the Texas Attorney General, in the aggregate principal amount of the
378 Obligations sold and containing the interest rates and schedule of principal payment dates, all as
379 set forth in the Bond Purchase Agreement (the "Initial Obligation"). Upon registration of the
380 Initial Obligation, the Comptroller (or a deputy designated in writing to act for the Comptroller)

shall manually sign the Comptroller's Registration Certificate accompanying the Initial Obligation, and the seal of the Comptroller shall be impressed, or placed in facsimile, on the Initial Obligation. The Initial Obligation shall be numbered T-1. After registration by the Comptroller, delivery of the Obligations shall be made to the Underwriters, under and subject to the general supervision and direction of the Mayor or an Authorized Representative, against receipt by the City of all amounts due to the City under the terms of sale, and the Initial Obligation shall be cancelled. Council authorizes the payment of the fee of the Office of the Attorney General of the State of Texas for the examination of the proceedings relating to the issuance of the Obligations, in the amount determined in accordance with the provisions of Section 1202.004, Texas Government Code.

PART 12. SALE OF OBLIGATIONS; OFFICIAL STATEMENT.

(a) The Obligations shall be sold to the Underwriters at the price set forth in the Bond Purchase Agreement, and delivery of the Obligations to the Underwriters shall be made upon receipt of payment in accordance with the terms of the Bond Purchase Agreement. An Authorized Representative is authorized and directed to execute the Bond Purchase Agreement on behalf of the City, and the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, City Clerk, and all other officials, agents and representatives of the City are authorized to execute and deliver any agreements, certificates, instruments and other documents, and do any and all things necessary or desirable to satisfy the conditions set out in the documents, to provide for the issuance and delivery of the Obligations.

(b) Council ratifies, authorizes and approves, in connection with the sale of the Bonds, the preparation and distribution of the Preliminary Official Statement and a final Official Statement, substantially in the form of the Preliminary Official Statement, containing additional information and amendments as may be necessary to conform to the terms of the Bonds, this Ordinance, and the Bond Purchase Agreement, and the Preliminary Official Statement is deemed final as of its date within the meaning and for the purposes of paragraph (b)(1) of the Rule. An Authorized Representative is authorized to approve any amendments and supplements to the Official Statement as either of them deem necessary or appropriate. The Mayor and City Clerk are authorized to execute the final Official Statement by manual, facsimile or electronic signature and/or to deliver a certificate pertaining to the final Official Statement as prescribed in the Official Statement, dated as of the date of payment for and delivery of the Obligations.

(c) The Mayor, Mayor Pro Tem, City Manager, City Clerk, Chief Financial Officer and all other officials, agents and representatives of the City are authorized to take actions as any officer, official, agent or representative shall approve in seeking ratings on the Obligations from one or more nationally recognized statistical ratings organizations, or any confirmation of ratings issued by a rating agency, and these actions are ratified and confirmed.

(d) Proceeds from the sale of the Obligations shall be disbursed in the amounts and for the purposes set forth in the closing letter of instructions. An Authorized Representative may provide for the establishment of any fund, account or subaccount as deemed necessary or appropriate for the safekeeping and administration of proceeds from the sale of the Obligations pending their disbursement for authorized purposes.

(e) An Authorized Representative shall not execute the Bond Purchase Agreement unless the each of the Underwriters has confirmed to an Authorized Representative that either it has made disclosure filings to the Texas Ethics Commission in accordance with Section 2252.908, Texas Government Code or is exempt from making filings under Section

2252.908(c)(4), Texas Government Code. Within 30 days of receipt of the execution of the Bond Purchase Agreement, disclosure filings received from any of the Underwriters will be submitted by the City to the Texas Ethics Commission.

PART 13. COVENANTS TO MAINTAIN TAX EXEMPT STATUS.

The City covenants to refrain from any action which would adversely affect, or to take any action to assure, the treatment of the Obligations as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. The City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Obligations or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Obligations, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Obligations or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Obligations (less amounts deposited into a reserve fund, if any), is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Obligations being treated as "private activity bonds" within the meaning of section 141(a) of the Code;

(e) to refrain from taking any action that would result in the Obligations being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Obligations, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Obligations, other than investment property acquired with --

(1) proceeds of the Obligations invested for a reasonable temporary period, until such proceeds are needed for the purpose for which the Obligations are issued,

473 (2) amounts invested in a bona fide debt service fund, within the
474 meaning of section 1.148-1(b) of the Treasury Regulations, and

475 (3) amounts deposited in any reasonably required reserve or
476 replacement fund to the extent such amounts do not exceed 10 percent of the
477 proceeds of the Obligations;
478

479 (g) to otherwise restrict the use of the proceeds of the Obligations or amounts
480 treated as proceeds of the Obligations, as may be necessary, so that the Obligations do
481 not otherwise contravene the requirements of section 148 of the Code (relating to
482 arbitrage);
483

484 (h) to refrain from using the proceeds of the Obligations or the proceeds of
485 any prior bonds to pay debt service on another issue more than ninety (90) days after the
486 issuance of the Obligations in contravention of section 149(d) of the Code (relating to
487 advance refundings); and
488

489 (i) to pay to the United States of America at least once during each five-year
490 period (beginning on the date of delivery of the Obligations) an amount that is at least
491 equal to 90 percent of the "excess earnings", within the meaning of section 148(f) of the
492 Code, and to pay to the United States of America, not later than 60 days after the
493 Obligations have been paid in full, 100 percent of the amount then required to be paid as
494 a result of Excess Earnings under section 148(f) of the Code.
495

496
497 The City understands that the term "proceeds" includes "disposition proceeds" as defined in the
498 Treasury Regulations and, in the case of a refunding bond, transferred proceeds (if any) and
499 proceeds of the refunded bonds expended prior to the date of the issuance of the Obligations. It
500 is the understanding of the City that the covenants contained herein are intended to assure
501 compliance with the Code and any regulations or rulings promulgated by the U.S. Department of
502 the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated
503 which modify or expand provisions of the Code, as applicable to the Obligations, the City will
504 not be required to comply with any covenant contained herein to the extent that such failure to
505 comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the
506 exemption from federal income taxation of interest on the Obligations under section 103 of the
507 Code. In the event that regulations or rulings are hereafter promulgated which impose additional
508 requirements which are applicable to the Obligations, the City agrees to comply with the
509 additional requirements to the extent necessary, in the opinion of nationally-recognized bond
510 counsel, to preserve the exemption from federal income taxation of interest on the Obligations
511 under section 103 of the Code. In furtherance of the foregoing, the Mayor, the City Manager,
512 any Assistant City Manager, the Chief Financial Officer, any Deputy Financial Officer and the
513 City Treasurer may execute any certificates or other reports required by the Code and make such
514 elections, on behalf of the City, which may be permitted by the Code as are consistent with the
515 purpose for the issuance of the Obligations. In order to facilitate compliance with the above
516 clause (i), a "Rebate Fund" is hereby established by the City for the sole benefit of the United
517 States of America, and such Rebate Fund shall not be subject to the claim of any other person,
518 including without limitation the registered owners of the Obligations. The Rebate Fund is
519 established for the additional purpose of compliance with section 148 of the Code.
520

521 The City covenants to account for on its books and records the expenditure of proceeds
522 from the sale of the Obligations and any investment earnings thereon to be used to finance the

Property described in Schedule I by allocating proceeds to expenditures within eighteen (18) months of the later of the date that (a) the expenditure on a Property is made or (b) the acquisition of the Property is completed. The City shall not expend such proceeds or investment earnings more than 60 days after the later of (a) the fifth anniversary of the date of delivery of the Obligations or (b) the date the Obligations are retired, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that the expenditure will not adversely affect the tax-exempt status of the Obligations. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that the failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

The City covenants that the property financed or refinanced with the proceeds of the Obligations will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that such sale or other disposition will not adversely affect the tax-exempt status of the Obligations. The portion of the property comprising personal property and disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that the failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

PART 14. CONTINUING DISCLOSURE OBLIGATION.

(a) *Annual Reports.*

(i) The City shall provide annually to the MSRB, (A) within six months after the end of each fiscal year of the City, financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by PART 12 of this Ordinance, being information of the type described in the final Official Statement, including financial statements of the City if audited financial statements of the City are then available, and (B) if not provided as part of the financial information and operating data, audited financial statements of the City, when and if available. Any financial statements to be provided shall be (x) prepared in accordance with the accounting principles described in the final Official Statement, or other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and in substantially the form included in the final Official Statement, and (y) audited, if the City commissions an audit of the financial statements and the audit is completed within the period during which they must be provided. If the audit of financial statements is not complete within 12 months after any fiscal year end, then the City shall file unaudited financial statements within the 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on the financial statements becomes available.

(ii) If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) before the next date the City would be required to provide financial information and operating data pursuant to this PART.

The financial information and operating data to be provided pursuant to this PART may be set forth in full in one or more documents or may be included by specific

reference to any document (including an official statement or other offering document) available to the public on the MSRB's website or filed with the SEC. Filings shall be made electronically, accompanied by identifying information as prescribed by the MSRB.

(b) *Disclosure Event Notices.* The City shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner not in excess of 10 Business Days after the occurrence of the event, of any of the following events with respect to the Obligations:

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Obligations, or other material events affecting the tax status of the Obligations;
- (vii) Modifications to rights of holders of the Obligations, if material;
- (viii) Obligation calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of the Obligations, if material;
- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership or similar event of the City;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material;
- (xv) Incurrence of a Financial Obligation of the Obligated Person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Obligated Person, any of which affect security holders, if material; and
- (xvi) Default, event of acceleration, termination event, modification of terms, or other similar event under the terms of a Financial Obligation of the Obligated Person, and which reflect financial difficulties.

The City shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (a) of this PART by the time required by subsection (a).

As used in clause (xii) above, the phrase "bankruptcy, insolvency, receivership or similar event" means the appointment of a receiver, fiscal agent or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law

in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if jurisdiction has been assumed by leaving Council and officials or officers of the City in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

As used in clauses (xv) and (xvi) above, the term "Financial Obligation" means: (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii); however, the term Financial Obligation shall not include Municipal Securities as to which a final official statement has been provided to the MSRB consistent with the Rule; the term "Municipal Securities" means securities which are direct obligations of, or obligations guaranteed as to principal or interest by, a state or any political subdivision thereof, or any agency or instrumentality of a state or any political subdivision thereof, or any municipal corporate instrumentality of one or more states and any other Municipal Securities described by Section 3(a)(29) of the Securities Exchange Act of 1934, as the same may be amended from time to time; and the term "Obligated Person" means the City.

(c) *Limitations, Disclaimers, and Amendments.* The City shall be obligated to observe and perform the covenants named in this PART for only so long as the City remains an "obligated person" with respect to the Obligations within the meaning of the Rule, except that the City will give written notice of any deposit made in accordance with this Ordinance, or applicable law, that causes any Obligation no longer to be outstanding.

The provisions of this PART are for the sole benefit of the holders and beneficial owners of the Obligations, and nothing in this PART, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this PART and does not undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or to update any information provided in accordance with this PART or otherwise, except as expressly provided in this Ordinance. The City does not make any representation or warranty concerning the information or its usefulness to a decision to invest in or sell Obligations at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY OBLIGATION OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS PART, BUT EVERY RIGHT AND REMEDY OF ANY PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this PART shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance. Nothing in this PART is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this PART may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this PART, as amended, would have permitted an underwriter to purchase or sell Obligations in the primary offering of the Obligations in compliance with the Rule, taking into account any amendments or interpretations of the Rule since the offering as well as the changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes an amendment) of the outstanding Obligations consent to the amendment or (b) a person that is unaffiliated with the City (such as nationally-recognized bond counsel) determines that the amendment will not materially impair the interest of the holders and beneficial owners of the Obligations. If the City amends the provisions of this PART, it shall include with the next financial information and operating data provided in accordance with subsection (a) of this PART an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that the provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Obligations in the primary offering of the Obligations. Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City agrees to undertake such obligation in accordance with the Rule as amended.

PART 15. DTC REGISTRATION.

The Obligations initially shall be issued and delivered in the manner that no physical distribution of the Obligations will be made to the public, and DTC initially will act as depository for the Obligations. DTC has represented that it is a limited purpose trust company incorporated under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered under Section 17A of the Securities Exchange Act of 1934, as amended, and the City accepts, but in no way verifies, the representations of DTC. The Obligations initially authorized by this Ordinance intended to be held by DTC shall be delivered to and registered in the name of Cede & Co., the nominee of DTC. It is expected that DTC will hold the Obligations on behalf of the Underwriters and their participants. So long as each Obligation is registered in the name of Cede & Co., the Paying Agent/Registrar shall treat and deal with DTC the same in all respects as if it were the actual and beneficial owner. It is expected that DTC will maintain a book-entry system, which will identify ownership of the Obligations in Authorized Denominations, with transfers of ownership being effected on the records of DTC and its participants pursuant to rules and regulations established by them, and that the Obligations initially deposited with DTC shall be immobilized and not be further exchanged for substitute Obligations except as set forth in this Ordinance. The City and the Paying Agent/Registrar are not responsible or liable for any functions of DTC, will not be responsible for paying any fees or charges with respect to its services, will not be responsible or liable for maintaining, supervising, or reviewing the records of DTC or its participants, or protecting any interests or rights of the beneficial owners of the Obligations. It shall be the duty of the DTC Participants, as defined in the Official Statement, to make all arrangements with DTC to establish this book-entry system, the beneficial ownership of the Obligations, and the method of paying the fees and charges of DTC. The City does not represent, nor does it in any way covenant that the initial book-entry system established with DTC will be maintained in the

future. Notwithstanding the initial establishment of the foregoing book-entry system with DTC, if for any reason any of the originally delivered Obligations is duly filed with the Paying Agent/Registrar with proper request for transfer and substitution, as provided for in this Ordinance, substitute Obligations will be duly delivered as provided in this Ordinance, and there will be no assurance or representation that any book-entry system will be maintained for the Obligations. In connection with the initial establishment of the foregoing book-entry system with DTC, the City has executed a "Blanket Letter of Representations" prepared by DTC in order to implement the book-entry system described above.

PART 16. DEFEASANCE.

(a) *Defeased Obligations.* Any Obligation will be treated as a Defeased Obligation, except to the extent provided in subsection (d) of this PART, when payment of the principal of the Obligation, plus interest to the due date (whether the due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of this Ordinance, or (ii) shall have been provided for on or before the due date by irrevocably depositing with or making available to the Paying Agent/Registrar or any commercial bank or trust company authorized to serve as escrow agent for the Obligation in accordance with a Future Escrow Agreement for the payment of the Obligation (1) lawful money of the United States of America sufficient to make the payment or (2) Defeasance Securities to mature as to principal and interest in the amounts and at the time as will ensure the availability, without reinvestment, of sufficient money to provide for the payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Obligations shall have become due and payable. There shall be delivered to the Paying Agent/Registrar a certificate of a qualified financial professional or a report from a firm of certified public accountants evidencing the sufficiency of the deposit made pursuant to clause (ii) above. The Paying Agent/Registrar shall also receive an opinion of bond counsel acceptable to the City that reflects this payment does not adversely affect the exclusion under the Code of interest on the Defeased Obligations from the gross income of the holders for federal income taxation purposes. At the time as an Obligation shall be considered to be a Defeased Obligation, the Obligation and the interest on that Obligation shall no longer be secured by, payable from, or entitled to the benefits of the ad valorem taxes levied and pledged as provided in this Ordinance, and the principal and interest shall be payable solely from the money or Defeasance Securities.

(b) *Investment in Defeasance Securities.* Any funds deposited with the Paying Agent/Registrar may at the written direction of the City be invested in Defeasance Securities, maturing in the amounts and times as set forth in this Ordinance, and all income from these Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Obligations and interest, with respect to which money has been deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Obligations may contain provisions permitting the investment or reinvestment of the moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements described in subsections (a) (i) or (ii) of this PART. All income from the Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Obligations, with respect to which money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City. The Paying Agent/Registrar shall not be liable for any loss pertaining to an investment executed in accordance with written instructions from the City.

753 (c) *Paying Agent/Registrar Services.* Until all Defeased Obligations shall have
754 become due and payable, the Paying Agent/Registrar shall perform the services of Paying
755 Agent/Registrar for the Defeased Obligations as if they had not been defeased, and the City shall
756 make proper arrangements to provide and pay for the services as required by this Ordinance.

757 (d) *Selection of Obligations for Defeasance.* In the event that the City elects to
758 defease less than all of the principal amount of Obligations of a maturity, the Paying
759 Agent/Registrar shall select, or cause to be selected, the amount of Obligations by the random
760 method as it considers fair and appropriate.

761 **PART 17. DEFAULT AND REMEDIES.**

762 (a) *Events of Default.* Each of the following occurrences or events is an Event of
763 Default:

764 (i) the failure to pay the principal of or interest on any Obligation when it
765 becomes due and payable; or

766 (ii) default in the performance or observance of any other covenant,
767 agreement or obligation of the City, the failure to perform which materially, adversely
768 affects the rights of the Registered Owners of the Obligations, including their prospect or
769 ability to be repaid in accordance with this Ordinance, and the continuation for a period
770 of 60 days after notice of the default is given by any Registered Owner to the City.

771 (b) *Remedies for Default.*

772 (i) When any Event of Default occurs, any Registered Owner or the
773 Registered Owner's authorized representative, including a trustee or trustees, may
774 proceed against the City, or any official, officer or employee of the City in their official
775 capacity, for the purpose of protecting and enforcing the rights of the Registered Owners
776 under this Ordinance, by mandamus or other suit, action or special proceeding in equity
777 or at law, in any court of competent jurisdiction, for any relief permitted by law,
778 including the specific performance of any covenant or agreement contained in this
779 Ordinance, or to enjoin any act or thing that may be unlawful or in violation of any right
780 of the Registered Owners or any combination of remedies only as authorized by law.

781 (ii) All default proceedings shall be instituted and maintained for the equal
782 benefit of all Registered Owners of outstanding Obligations.

783 (c) *Remedies Not Exclusive.*

784 (i) No remedy in this Ordinance is exclusive of any other available remedy,
785 but each remedy shall be cumulative and shall be in addition to every other remedy given
786 in this Ordinance or under the Obligations; however, there is no right to accelerate the
787 debt evidenced by the Obligations.

788 (ii) The exercise of any remedy in this Ordinance shall not be considered a
789 waiver of any other available remedy.

790 (iii) By accepting the delivery of an Obligation authorized under this
791 Ordinance, the Registered Owner agrees that the certifications required to effect any

covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers or employees of the City or Council.

(iv) None of the members of Council, nor any other official or officer, agent, or employee of the City, shall be charged personally by the Registered Owners with any liability, or be held personally liable to the Registered Owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

PART 18. OFFICIALS MAY ACT ON BEHALF OF THE CITY.

(a) The Mayor, the Mayor Pro Tem, the City Clerk, the City Manager, any Assistant City Manager, the Chief Financial Officer, or any Deputy Chief Financial Officer, and all other officers, employees, and agents of the City, and each of them, shall be authorized, empowered, and directed to do and perform all acts and things and to execute, acknowledge, and deliver in the name and under the seal and on behalf of the City all instruments as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Obligations, the Bond Purchase Agreement, the offering documents prepared in connection with the sale of the Obligations, or the Paying Agent/Registrar Agreement. In case any officer whose signature appears on any Obligation shall stop being the officer before the delivery of the Obligation, the signature shall nevertheless be valid and sufficient for all purposes as if he or she had remained in office until the delivery.

(b) The Mayor, the Mayor Pro Tem and any Authorized Representative are each authorized to make or approve such revisions, additions, deletions, and variations to this Ordinance that, in their judgment and in the opinion of Bond Counsel to the City, may be necessary or convenient to carry out or assist in carrying out the purposes of this Ordinance, the Bond Purchase Agreement, the Paying Agent/Registrar Agreement, the Preliminary Official Statement and the final Official Statement or as may be required for approval of the Obligations by the Attorney General of Texas.

INTEREST ON THIS OBLIGATION shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

THE PRINCIPAL OF AND INTEREST ON this Obligation are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Obligation shall be paid to the registered owner hereof upon presentation and surrender of this Obligation at maturity at the designated corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office") of U.S. Bank National Association, which is the "Paying Agent/Registrar" for this Obligation. The payment of interest on this Obligation shall be made by the Paying Agent/Registrar to the registered owner hereof as shown by the Registration Books kept by the Paying Agent/Registrar at the close of business on the record date, which is the 15th day of the month next preceding such interest payment date by check, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the City required to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the registered owner hereof at its address as it appears on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. Notwithstanding the foregoing, during any period in which ownership of the Obligations is determined only by a book entry at a securities depository for the Obligations, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the City and the securities depository.

THIS OBLIGATION is one of a series of Obligations of like tenor and effect except as to number, principal amount, interest rate and maturity, dated as of the Dated Date specified above, authorized in accordance with the Constitution and laws of the State of Texas in the aggregate principal amount of \$_____,000, for the purpose of (i) paying all or a portion of the City's contractual obligations to be incurred in connection with the acquisition, purchase or financing of personal property, and (ii) paying the costs of issuance associated with the sale of the Obligations, as described in the Ordinance, in accordance with the provisions of the Public Property Finance Act, Section 271.001, et seq., Local Government Code.

ALL OBLIGATIONS OF THIS SERIES are issuable solely as fully registered obligations, without interest coupons, in the denomination of any integral multiple of \$5,000 (an "Authorized Denomination"). As provided in the Ordinance, this Obligation may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, and exchanged for a like aggregate principal amount of fully registered obligations, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, and bearing interest at the same rate, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Obligation to the Paying Agent/Registrar at

its Designated Payment/Transfer Office for cancellation, all in accordance with the form and procedures set forth in the Ordinance. Among other requirements for such assignment and transfer, this Obligation must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Obligation or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Obligation or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Obligation may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Obligation or any portion or portions hereof from time to time by the registered owner. The one requesting such exchange shall pay the Paying Agent/Registrar's reasonable standard or customary fees and charges for exchanging any Obligation or portion thereof. The foregoing notwithstanding, in the case of the exchange of an assigned and transferred Obligation or Obligations or any portion or portions thereof, such fees and charges of the Paying Agent/Registrar will be paid by the City. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, or exchange as a condition precedent to the exercise of such privilege.

WHENEVER the beneficial ownership of this Obligation is determined by a book entry at a securities depository for the Obligations, the foregoing requirements of holding, delivering or transferring this Obligation shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Obligations is changed by the City, resigns, or otherwise ceases to act as such, the City has covenanted in the Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Obligations.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Obligation, and the series of which it is a part, is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of this series of Obligations, and of this Obligation, have been properly done and performed and have happened in regular and due time, form and manner as required by law; that sufficient and proper provision for the levy and collection of ad valorem taxes has been made, which, when collected, shall be appropriated exclusively to the payment of this Obligation and the series of which it is a part; and that the total indebtedness of the City of Austin, Texas, including the entire series of Obligations of which this is one, does not exceed any constitutional or statutory limitation.

BY BECOMING the registered owner of this Obligation, the registered owner thereby acknowledges all of the terms and provisions of the Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the City, and agrees that the terms and provisions of this Obligation and the Ordinance constitute a contract between each registered owner hereof and the City.

988 IN WITNESS WHEREOF, this Obligation has been duly executed on behalf of the City,
989 under its official seal, in accordance with law.
