Additional Backup Information:

Due to the COVID-19 emergency the City and Travis County agreed to cooperatively purchase personal protective equipment, i.e. Dupont Tyvek Suits, in order to realize costs savings from volume purchasing. The City has already purchased the suits. Travis County will purchase 200 Dupont Tyvek Suits, for a unit cost of \$340, each from the City of Austin. These suits were purchased by the City from Clean Earth of Alabama, Inc. for \$340 each, with a total cost of \$68,000. The City will send Travis County an invoice for the number of Tyvek Suits actually delivered at the per suit price of \$340.

This item is returning to Council to permit negotiation and execution in order to add required federal supplemental conditions to the interlocal agreement, which were not included in the original version included in backup at the July 29, 2020 Council meeting.

This agreement is entered under the provisions of the Interlocal Cooperation Act, Chapter 791, Texas Government Code, and Subchapter F of Chapter 271 of the Texas Local Government Code.

Strategic Outcome(s):

Safety.
