Dear Ms. Brown:

After reviewing your application, the Texas Film Commission is pleased to conditionally offer a Texas Moving Image Industry Incentive Award estimated at \$9,359,118.00 to Eye Productions Inc. for your planned investment in Texas media production.

The Texas Moving Image Industry Incentive Program awards grants to qualifying projects to increase employment opportunities for Texas industry professionals, encourage tourism and boost economic activity in Texas cities and the overall Texas economy. We are delighted Eye Productions Inc. has chosen to make an investment in our state; we are confident you will find Texas to be an ideal location for your television series, Walker.

This award is contingent upon, among other things, execution of a formal Texas Moving Image Industry Incentive Program Agreement, which will be developed between the State and your company. It is critical to execute the Texas Moving Image Industry Incentive Program Agreement within 45 calendar days of the date of this letter. Staff at the Texas Film Commission will initiate work on this Agreement immediately.

We look forward to working with you on this Texas production.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steph L", with a long horizontal flourish extending to the right.
