Additional Backup Information:

The Emergency Medical Services Department is updating its fee discount program to provide discounts on emergency transport at the Basic, Advanced and Advanced 2 level of services. Historically, the fee discount program has required participants to be at or below 200 percent of the Federal Poverty Index Guidelines to participate. The updated discount program allows for a percentage write-off of the base rate charges determined by the Federal Poverty Level, which is based on Adjusted Gross Income criteria:

Federal Poverty Level	Percent write-off (discounted)
Below 125%	100%
Below 150%	75%
Below 175%	50%
Below 200%	25%
*Determined medically indigent - 500% FPL with ATCEMS bills exceeding 10% of AGI	50%
