

MEMORANDUM

TO: Mayor and City Council

FROM: Rolando Fernandez Jr., Capital Contracting Officer
Richard Mendoza, Public Works Director 

DATE: January 25, 2021

Subject: Correction Memo for item 20210127-10: ProLodge 5 Phase 3 Renovations

The January 25, 2021 City Council Work Session agenda and January 27, 2021 City Council Regular Meeting agenda includes Item #10 for the Mayor and Council's consideration to authorize additional funding for ProLodge 5 Phase 3 Renovations with Hensel Phelps Services, LLC in the amount of \$187,962.

The Fiscal Note section states, "Funding is available in the Operating and/or Maintenance Budgets of the Austin Public Health Department." We would like to correct and replace that line to read: "Funding is available through a federal Community Development Block Grant issued to the Housing and Planning Department."

If you have any questions, please contact Rolando Fernandez Jr. at 512-974-7749 or by email to rolando.fernandez@austintexas.gov.
