- (d) do any and every act with respect to the operation of the Property which the Corporation may do in its behalf; and
- (e) Employ such contractors, subcontractors, agents, attorneys, architects, accountants, watchmen, and inspectors as the City may deem desirable to accomplish any of the above purposes.

Upon the happening of any Event of Default, the Corporation constitutes and appoints the City its true and lawful attorney-in-fact with full power of substitution to take any and all of the actions described in this Section, which power of attorney is irrevocable. All sums expended by the City for any of the above purposes shall be Advances and shall be secured by this Agreement.

Section 8.2 Corporation's Indemnity: So long as this Agreement is in effect, the Corporation shall, to the extent allowed by law and subject to the limitations set forth in Section 8.3 below, indemnify and hold the City harmless from and against all liability, loss, cost, damage or expense which the City may incur under or by reason of this Agreement, or by reason of or in defense of all claims and demands whatsoever which may be asserted against the City arising out of this Agreement, excluding all liabilities arising from the City's sole or gross negligence or willful misconduct (the "Indemnified Claims"). If the City incurs any such liability, loss, cost, damage or expense, the Corporation shall, promptly upon request and subject to the limitations set forth in Section 8.3 below, pay the amount thereof, together with all reasonable attorneys' fees and interest, to the City.

Section 8.3 Limitation of Corporation's Liability: The Parties acknowledge and agree that the Corporation's liability for an Indemnified Claim is limited to the total amount funded by the City in the fiscal year in which the occurrence giving rise to the Indemnified Claim occurred, plus any insurance proceeds payable to the Corporation in connection with the Indemnified Claim, less the Allowable Costs for the fiscal year.

8.4 Limitation of Directors' Liability: No Director of the Corporation shall be personally liable to the Corporation for any payment under this Agreement or to the City for any Indemnified Claim where such liability arises, in whole or in part, out of an act or omission of the Director in his/her capacity as Director, except for liability (a) for any breach of the Director's duty of loyalty to the Corporation, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, (c) for any transaction from which the Director received an improper benefit, regardless of whether the benefit resulted from an act taken within the scope of the Director's office, or (d) for acts or omissions for which the liability of a Director is expressly provided by statute.

ARTICLE 9 OFFSET FOR TAXES OWED AND FUNDING OUT

Section 9.1 Offset for Taxes Owed: The Corporation acknowledges that the City has provided notice of Article VIII, Section 1 of the Austin City Charter which prohibits the payment of any money to any person who is in arrears to City of Austin for taxes, and of §2-8-3 of the Austin City Code concerning the right of City of Austin to offset indebtedness owed City of Austin.

Section 9.2 Funding Out: The Corporation acknowledges that the City has provided notice that the City's payment obligations to Corporation are payable only from funds appropriated or available for the purpose of this Agreement. If the City does not appropriate funds for this Agreement, or if there are no other lawfully available funds for this Agreement, the Agreement is void. The City shall provide the Corporation reasonable notice of the failure of the City to make an adequate appropriation for any fiscal year to pay the amounts due under the Agreement or the reduction of any appropriation to an amount insufficient to permit City to pay its obligations under the Agreement.

ARTICLE 10 GENERAL TERMS AND PROVISIONS

Section 10.1 No Waiver: Any failure by a Party to insist, or any election by a Party not to insist, upon the counter-Party's substantial performance of any of the terms, provisions or conditions of the Agreement shall not be deemed to be a waiver of them or of any other term, provision or condition thereof, and the Party may at any time thereafter insist upon substantial performance by the counter-Party of all of them. In specific, no Advance by the City absent the Corporation's substantial compliance with Article 3 shall in any way preclude the City from thereafter declaring such failure to comply to be an Event of Default hereunder.

Section 10.2 Modification: This Agreement may not be amended, waived, discharged or terminated orally, but only by an instrument executed by both Parties. All amendments or changes to this Agreement must be mutually agreed upon in writing and duly executed by both Parties.

Section 10.3 Applicable Law: This Agreement has been executed under, and shall be construed and enforced in accordance with, the laws of the State of Texas.

Section 10.4 Severability: If a forum of competent jurisdiction determines that a term or provision of this Agreement is void or unenforceable, the remainder of this Agreement remains effective to the extent permitted by law.

Section 10.5 Successors and Assignment: This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, successors, and legal representatives. A party to this Agreement may not assign or transfer its interests under this Agreement.

Section 10.6 Notices: All notices or other communications required or permitted to be given pursuant to the provisions of this Agreement shall be in writing and shall be considered as properly given if mailed by first class United States mail, postage prepaid, registered or certified with return receipt requested, by delivering same in-person, by commercial courier to the intended addressee, or by e-mail. Notice so mailed shall be effective upon its deposit in the custody of the U.S. Postal Service. Notice given in any other manner shall be effective only if and when received by the addressee. For purposes of notice, the addresses, including e-mail addresses, of the Parties shall be as set forth in this Agreement; however, either Party may change its address for notice hereunder to any other location within the continental United States by giving 30-days' prior notice to the other Party in the manner set forth hereinabove.

Section 10.7 Headings: The Article and Section entitlements hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles and Sections.

Section 10.8 Force Majeure: Each Party to this agreement agrees to excuse the failure of the other Party to perform its Obligations under this Agreement to the extent, and for a period of time during which, the failure is caused by an event of Force Majeure. An event of Force Majeure is any event or circumstance which prevents or delays performance of any obligation arising under this Agreement, but only if and to the extent the event or circumstance is not within the control of the Party seeking to have its performance obligation excused thereby and which the Party was unable by the exercise of due diligence to avoid or prevent. Events of Force Majeure include, but are not limited to, acts of God, riots, sabotage, civil disturbances, epidemics, acts of domestic or foreign terrorism, lightning, earthquakes, fires, storms, floods, and landslides. Events of Force Majeure do not include economic or market conditions which affect a Party's cost but not its ability to perform.

The Party invoking Force Majeure shall give timely and adequate notice to the other Party by e-mail or telephone confirmed promptly in writing and shall use due diligence to remedy the effects of an event of Force Majeure as soon as reasonably possible. In the event a Party's performance of an obligation under this Agreement is delayed due to a Force Majeure event, then the time for completion of the Party's obligation will be extended day-for-day, provided that an event of Force Majeure shall not extend the time for performance beyond September 30, 2028, unless otherwise agreed to in writing by the parties. If an event of Force Majeure a party's performance continues for more than 90 days, the non-affected party shall have the right to terminate this Agreement upon written notice to the affected party delivered prior to the date that performance resumes.

Section 10.9 Legal Authority: The City and the Corporation individually represent and warrant that each possesses the legal authority, pursuant to any proper resolution or action passed or taken, to enter into this Agreement.

The persons executing this Agreement on behalf of the City and of the Corporation represent and warrant that they have been fully authorized by the City and the Corporation, respectively, to execute this Agreement on its behalf and to legally bind the City and the Corporation to all the terms, performances, and provisions of this Agreement.

Section 10.10 Dispute Resolution: Upon request of either Party, an informal attempt to negotiate a resolution of the dispute shall be made. Such request shall be in writing and shall seek a meeting between representatives of each Party within 14 calendar days after receipt of the request or such later period as agreed by the Parties. Each Party shall provide for the meeting, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days, or such additional time as may be agreed to in writing by the Parties, after such meeting, the Parties have not succeeded in negotiating a resolution of the dispute, they shall proceed directly to mediation as described below. Informal negotiation may be waived by a written agreement signed by both Parties, in which event the Parties shall proceed directly to mediation as described below.

The mediation shall take place in Austin, Texas. The Parties shall select a mediator within 30 calendar days of the written waiver, within 60 calendar days of the informal negotiation meeting, or such additional time as may be agreed to in writing by the Parties. The Parties agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in this Agreement prevents the Parties from relying on the skills of a person who is trained in the subject matter of the dispute. If the time period for selecting the mediator has expired with no agreement on the mediator, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The Parties agree to participate in mediation in good faith for at least 30 calendar days from the date of the first mediation session. The Parties will share the costs of mediation equally. If the mediation does not successfully resolve the dispute, each Party is free to pursue other remedies available to them.

Section 10.11 Entire Agreement: This Agreement contains the complete and entire agreement between the Parties respecting the matters addressed herein, and supersedes all prior negotiations, agreements, representations, and understandings, if any, between the Parties respecting the subject matter hereof. The terms and conditions set forth in this Agreement constitute the entire agreement between the Parties and any oral representations on the part of either Party, its representatives or assigns, shall have no force or effect whatsoever. This Agreement shall be binding on the Parties, their successors, and assigns.
