(A) Either the City or the Association, after written notice to the other party containing specifications of the issues in dispute, may request arbitration and, in such event, the City and the Association shall submit all issues in dispute to arbitration within 45 days of receipt of the requesting party’s written arbitration request. The arbitration ruling shall be final, binding, and enforceable against both parties.
(B) Both parties shall select one arbitrator within 5 days of the original written request to arbitrate and provide written notification to the other party of the name and contact information for the selected arbitrator. The selected arbitrators shall attempt to select a third (neutral) arbitrator within 10 days of their selection in order to form a three-person Arbitration Board. If they do not agree within 5 days after the date they receive the list, each party or the party’s designee shall alternate striking a name from the list, and the name remaining is the third arbitrator. The third arbitrator shall preside over the Board. Any decisions made by the Board at any stage of the arbitration process will be determined by simple majority vote of the selected arbitrators.

(h) any other factors the Board determines to be relevant to the issues raised by the parties; and
(5) revenues available to and contractual obligations of the City and the impact of any arbitration ruling on the taxpayers of the City.
