SECOND/THIRD READINGS SUMMARY SHEET

CASE: C14-2019-0167 – 4530 E. Ben White Blvd

ADDRESS: 4530 East Ben White Blvd

SITE AREA: 12.44 acers

PROPERTY OWNER: 4530 East Ben White Associates LLC (Trevor Belton)

AGENT: Coats Rose (John Joseph)

CASE MANAGER: Kate Clark (512-974-1237, kate.clark@austintexas.gov)

REQUEST: Approve Second and Third readings of an ordinance amending City Code Title 25 by rezoning property locally known as 4530 E. Ben White Blvd. Applicant Request: To rezone from single family residence-standard lot-neighborhood plan (SF-2-NP) combining district zoning and general commercial services-conditional overlay-neighborhood plan (CS-CO-NP) combining district zoning to general commercial services-conditional overlay-neighborhood plan (CS-CO-NP) combining district zoning, as amended.

PREVIOUS CITY COUNCIL ACTION:

July 30, 2020 Approved staff’s recommendation of CS-CO-NP on the consent agenda for First Reading only. Vote: (11-0).

ISSUES:

No new issues at this time.
## ZONING CHANGE REVIEW SHEET

**CASE:** C14-2019-0167 – 4530 E. Ben White Blvd  
**DISTRICT:** 3

**ZONING FROM:** SF-2-NP and CS-CO-NP  
**TO:** CS-CO-NP, as amended

**ADDRESS:** 4530 East Ben White Blvd

**SITE AREA:** 12.44 acres

**PROPERTY OWNER:** 4530 East Ben White Associates LLC  
(Trevor Belton)

**AGENT:** Coats Rose (John Joseph)

**CASE MANAGER:** Kate Clark (512-974-1237, kate.clark@austintexas.gov)

### STAFF RECOMMENDATION:

On June 23, 2020, the applicant amended their rezoning request. Staff recommends approval of the applicant’s request for general commercial services-conditional overlay-neighborhood plan (CS-CO-NP) combining district zoning. *For a summary of the basis of staff’s recommendation, see page 3.*

ORDINANCE NUMBER:

ISSUES

On June 23, 2020 the applicant requested to amend their rezoning request from CS-MU-CO-NP to CS-CO-NP. The amended request is to allow for some of the currently prohibited land uses to be permitted. The property is subject to a previous ordinance from 2000 (Ordinance No. 000511-67) which included 71 prohibited uses. The applicant and contact team have agreed to carry over the following existing prohibited uses with this rezoning case:

- Agricultural Sales and Services
- Automotive Rentals
- Automotive Repair Services
- Automotive Washing (of any type)
- Building Maintenance Services
- Campground
- Club or Lodge
- Commercial Off-Street Parking
- Communication Service Facilities
- Community Recreation (private)
- Community Recreation (public)
- Construction Sales and Service
- Counseling Services
- Custom Manufacturing
- Drop-Off Recycling Collection Facility
- Employment Recreation (non-profit)
- Equipment Repair Services
- Equipment Sales
- Funeral Services
- Indoor Entertainment
- Indoor Sports and Recreation
- Kennel
- Local Utility Services
- Maintenance and Service Facilities
- Monument Retail Sales
- Outdoor Entertainment
- Outdoor Sports and Recreation
- Pawn Shop Services
- Pet Services
- Residential Treatment
- Scrap and Salvage
- Theater
- Transitional Housing
- Transportation Terminal
- Veterinary Services

If rezoning is approved, staff recommends the following uses be removed from this list for the following reasons:

- **Counseling Services**: is the use of a site for the provision of daytime counseling to neglected or abused children, 15 years of age or younger, or their managing conservators, who are referred by a governmental entity or other counseling service providers.

- **Employee Recreation (non-profit)**: this use is not permitted in CS base zoning; staff does not recommend prohibiting a use that is not be allowed in the base district.

- **Local Utility Services**: this use cannot be prohibited or made conditional due to the potential to impede City’s ability to place small utility poles and structures on property.

- **Scrap and Salvage**: this use is not permitted in CS base zoning; staff does not recommend prohibiting a use that is not be allowed in the base district.
The applicant and EROC plan contact team had agreed to a private agreement with the previous CS-MU-CO-NP rezoning request. Since amending the rezoning request the applicant has continued to communicate with the contact team. One of the agreements between the applicant and EROC plan contact team was for a dedicated easement along the western and northern boundaries of the property for a future trail. Access and trail easements cannot be included in a rezoning case as a part of a conditional overlay or within a public restrictive covenant. Therefore, the applicant has been working with the Parks and Recreation Department (PARD) staff on this matter through an independent process separate from the rezoning case.

For all communication received on this rezoning case see Exhibit C: Correspondence Received.

CASE MANAGER COMMENTS:

This property is located on the north side of E. Ben White Blvd along the westbound service road and not currently developed. It is approximately 12.44 acres in size and is primarily zoned CS-CO-NP with a small strip of SF-2-NP on the western and northern boundaries. Adjacent to the north is the Country Club Creek Greenbelt which is zoned SF-2-NP. Directly east of the property is a tract zoned GO-CO-NP which houses the Saint Peter Apostle Church and associated buildings. Directly south of the property is E. Ben White Blvd. and across the highway are tracts zoned P-NP and LI-NP. Adjacent to the west are properties zoned LO-CO-NP and SF-2-NP, both of which are undeveloped. Due to the existing greenbelt to the north and environmental features (floodplain and potential creek buffer) to the west, development on this property would have a natural buffer between it and the existing SF-2-NP zoned properties, see Exhibit A: Zoning Map and Exhibit B: Aerial Map.

BASIS OF RECOMMENDATION:

1. Zoning changes should promote compatibility with adjacent and nearby uses.

This property is in southeast Austin near a predominately industrial area. The applicant had originally requested CS-MU-CO-NP to allow for multifamily residential use. Scott Stookey from the Austin Fire Department (AFD) reviewed the site and its immediate surrounding area for hazardous materials. His assessment found hazardous materials on properties within 2,000 feet of the site. Two of the three risks met recommended distance separation. One of the risks (Anhydrous Chlorine) did not meet the separation distance. Due to the risk assessment report, it was determined that allowing multifamily housing on this site would not be compatible with existing land uses. AFD’s comments and risk assessment are included within Exhibit D: AFD Hazardous Materials Assessment.

With the amended rezoning request, the applicant is no longer requesting residential uses be permitted on the property. Rezoning this property to allow for some of the less intense existing prohibited uses would provide flexibility on what can be built on site while still maintaining compatibility with the surrounding land uses.

**OTHER STAFF COMMENTS:**

**Environmental**

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Country Club West Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by
Chapter 25-8 of the City's Land Development Code (LDC). Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

</tbody>
</table>

According to floodplain maps there is a floodplain within or adjacent to the project location. Based upon the location of the floodplain, offsite drainage should be calculated to determine whether a Critical Water Quality Zone exists within the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment. At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2-year storm on site.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential. Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations. Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted. Additional design regulations will be enforced at the time a site plan is submitted.

Compatibility Standards

The site is subject to compatibility standards due to proximity and adjacency of SF-2-NP zoning to the west and north. The following standards apply:

- No structure may be built within 25 feet of the property line to west and north.
- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.
- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line.
• No parking or driveways are allowed within 25 feet of the property line to the west and north.

• Landscaping or screening is required along the west and north property lines in accordance with the screening requirements (Section 25-2-1006 and ECM 2.9.1.), Parking Design Standards (Section 25-6-563) and/or Screening Standards (Section 25.2.1066) to screen adjoining properties from views of parking, mechanical equipment, storage, and refuse collection.

• For a structure more than 100 feet but not more than 300 feet from property zoned SF-5 or more restrictive, height limitation is 40 feet plus one foot for each 10 feet of distance in excess of 100 feet from the property zoned SF-5 or more restrictive.

• For a structure more than 300 feet but not more than 540 feet from property zoned SF-5 or more restrictive, 60 feet plus one foot for each four feet of distance in excess of 300 feet from the property zoned SF-5 or more restrictive.

• An intensive recreational use, including a swimming pool, tennis court, ball court, or playground, may not be constructed 50 feet or less from property in an SF-5 or more restrictive zoning district.

• A landscape area at least 25 feet in width is required along the property line if the tract is zoned LR, GO, GR, L, CS, CS-1, or CH.

Scenic Roadways
A portion of this site is within the Scenic Roadway Sign District. All signs must comply with Scenic Roadway Sign District regulations. Contact Viktor Auzenne at (512) 974-2941 for more information.

Demolition and Historic Resources
The applicant is responsible for requesting relocation and demolition permits once the site plan is approved. The City Historic Preservation Officer will review all proposed building demolitions and relocations prior to site plan approval. If a building meets city historic criteria, the Historic Landmark Commission may initiate a historic zoning case on the property.

Residential Design Standards Overlay
This site is within the Parker Lane Neighborhood Planning Area. The site is subject to 25-2 Subchapter F. Residential Design and Compatibility Standards.

Transportation
At the time of submittal of any site plan on the Property, a traffic impact analysis (TIA) is required if the proposed development or uses on the Property, considered cumulatively with all existing or previously authorized development and uses, generates traffic that exceeds 2,000 trips per day.
Austin Water Utility

The landowner intends to serve the site with City of Austin water utilities and an On-Site Sewage Facility. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

City wastewater service is not currently available to serve this tract. If service is desired, a Service Extension Request (SER) will need to be approved. For more information pertaining to the SER process and submittal requirements contact Alberto Ramirez with Austin Water, Utility Development Services at 625 E. 10th St., 7th floor, phone 512-972-0211. Austin Water reserves the right to make additional comments and to establish other requirements with the SER review.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

Re: 4530 East Ben White, Austin, Texas 78741 (the “Property) (Case Nos. C14-2019-0167 and NPA-2017-0021.01)

Ms. Clark and Ms. Meredith:

On behalf of our client, 4530 East Ben White Associates, LLC (the “Owner”), we formally request to amend our Zoning Application from CS-MU-CO-NP to CS-CO-NP. The proposed zoning change would amend the list of prohibited uses and eliminate the compatibility setback as currently described in Ordinance No. 000511-67 (see attached Exhibit “A”). The following uses shall be prohibited on the Property:

Agricultural Sales and Services
Automotive Rentals
Automotive Repair Services
Automotive Washing (of any type)
Campground
Commercial Off-Street Parking
Construction Sales and Service
Drop-Off Recycling Collection Facility
Equipment Sales
Funeral Services
Kennel
Veterinary Services
Transportation Terminal
Indoor Entertainment
Indoor Sports and Recreation
Theater
Monument Retail Sales
Custom Manufacturing
Community Recreation (private)
Employee Recreation (non-profit)
Local Utility Services
Residential Treatment
Transitional Housing
Outdoor Entertainment
Outdoor Sports and Recreation
Pawn Shop Services
Building Maintenance Services
Pet Services
Scrap and Salvage
Club or Lodge
Communication Service Facilities
Community Recreation (public)
Counseling Services
Maintenance and Service Facilities

In addition, we formally request to amend the Neighborhood Plan Amendment Application from Mixed Use to Commercial. This request is only for the small portion of the Property that has a current Future Land Use Map (“FLUM”) designation of Single Family. The FLUM for the remaining Property is currently designated as Commercial.

Thank you for your attention to this matter. Please let me know if you have any questions.

Very truly yours,

John M. Joseph
EXHIBIT “A”
ORDINANCE NO. 000511-67

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP ACCOMPANYING CHAPTER 25-2 OF THE CITY CODE AS FOLLOWS:

AN 11.22 ACRE TRACT OF LAND OUT OF THE SANTIAGO DEL VALLE GRANT, FROM SINGLE FAMILY RESIDENCE STANDARD LOT (SF-2) DISTRICT TO GENERAL COMMERCIAL SERVICES-CONDITIONAL OVERLAY (CS-CO) COMBINING DISTRICT, LOCALLY KNOWN AS THE PROPERTY LOCATED IN THE 4500 BLOCK OF EAST BEN WHITE BOULEVARD, IN THE CITY OF AUSTIN, TRAVIS COUNTY, TEXAS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from Single Family Residence Standard Lot (SF-2) district to General Commercial Services-Conditional Overlay (CS-CO) combining district on the property described in File C14-99-2108, as follows:

An 11.22 acre tract of land out of the Santiago Del Valle Grant, in Travis County, Texas, the tract of land being more particularly described by metes and bounds in Exhibit “A” incorporated into this ordinance, (the “Property”)

locally known as the property located in the 4500 block of East Ben White Boulevard, in the City of Austin, Travis County, Texas, and as more particularly identified in the map attached as Exhibit “B”.

PART 2. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

1. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively with all existing or previously authorized development and uses, generate traffic that exceeds 2,000 trips per day.

Page 1 of 3
2. The following uses of the Property are prohibited:

Agricultural Sales and Service
Automotive Rentals
Automotive Repair Services
Automotive Sales
Automotive Washing (of any type)
Campground
Commercial Blood Plasma Center
Commercial Off-Street Parking
Construction Sales and Service
Communications Services
Consumer Repair Services
Drop-Off Recycling Collection Facility

East Riverside/Oltorf Combined Neighborhood Plan Contact Team (“Team”)
c/o Malcolm Yeatts

Re: Neighborhood Plan Amendment Case No. NPA-2017-0021.01
Zoning Case No. C14-2019-0167
4530 E. Ben White Blvd., Austin, TX 78741 (the “Property”)

Dear Malcolm:

As you are aware the Planning Commission on May 12, 2020 unanimously voted to recommend denial of both our requested Neighborhood Plan Amendment and the Zoning request to add Mixed Use. As you are also aware, we entered into this letter agreement in an effort to cooperate in seeking the referenced application. In as much as the chance of obtaining City Council approval of our current request is virtually nil, I am suggesting, in an effort to salvage the possibility of the neighborhood realizing the multi-purpose hike and bike trail and the owner creating a land use menu that has a viable chance of resulting in the beneficial development of the subject property, the following modification of our agreement.

I am providing this communication to you in an effort to outline a modified agreement between the Neighborhood Contact Team and Owner to secure the support of the Neighborhood Contact Team for the proposed rezoning and neighborhood plan amendment of the Property, to remove certain compatibility restrictions, add some permitted uses, and set out a process for the establishment of a recreational easement for an approximate 1.1 acre tract for the exclusive purpose of a multi-purpose public hike and bike trail.

The following offer is an outline of a possible agreement and supersedes any prior verbal or written agreements with the East Riverside/Oltorf Combined Neighborhood Planning Area Contact Team (EROC).

**Owner’s Commitments:**

1. To convey to the City of Austin, a non-exclusive recreational easement, upon final approval of an ordinance fulfilling No. 2 below, on the approximate 1.1 acres site for a multi-
purpose hike and bike trail along the north and west property boundary of the subject tract as shown on the attached Exhibit A.

2. Amend the current zoning Ordinance No. 000511-67 to CS-CO-NP to allow the Property to be developed as any use, or combination of uses, currently allowed in “CS” zoning, except the following uses will be prohibited:

Agricultural Sales and Services
Automotive Rentals
Automotive Repair Services
Automotive Washing (of any type)
Campground
Commercial Off-Street Parking
Construction Sales and Service
Drop-Off Recycling Collection Facility
Equipment Sales
Equipment Repair Services
Funeral Services
Kennel
Veterinary Services
Transportation Terminal
Indoor Entertainment
Indoor Sports and Recreation
Theater
Monument Retail Sales
Custom Manufacturing
Community Recreation (private)
Employee Recreation (non-profit)
Local Utility Services
Residential Treatment
Transitional Housing
Outdoor Entertainment
Outdoor Sports and Recreation
Pawn Shop Services
Building Maintenance Services
Pet Services
Scrap and Salvage
Club or Lodge
Communication Service Facilities
Community Recreation (public)
Counseling Services
Maintenance and Service Facilities

3. Make application for the removal, or satisfactory amendment, of the compatibility restriction contained in zoning Ordinance No. 000511-67, attached as Exhibit B.

4. To dedicate, by appropriate means of conveyance, the easement referenced above upon the approval of the requested zoning, variances and the waiver of compatibility, whichever occurs last in time.

Fast Riverside/Oltorf Combined Neighborhood Plan Contact Team Commitments:

1. To support the zoning amendment to CS-CO-NP to allow the Property to be developed as any use currently allowed in "CS" zoning, except the prohibited uses listed in Number 2 above.

2. To support the pending Neighborhood Plan Amendment.

3. To support the removal or satisfactory amendment of the referenced compatibility restriction.
4. Attend all board and commission meeting to support the applications.

5. Attend all Planning Commission meetings to support the applications.

6. Attend all City Council meetings to support the applications.

If this outline of the basic terms of an agreement is acceptable to the Team, please indicate by having the appropriate member indicate the Team’s acceptance by signing in the place provided for that purpose below. This outline of terms replaces and supersedes any prior outline of agreement and/or agreement between the parties. If for any reason the amended zoning request, variances, and/or waivers are denied for any reason, this outline of agreement shall expire and neither party shall have any rights or responsibilities with respect thereto.

If you, or the Team, should have any questions please do not hesitate to contact me. Your cooperation is very much appreciated.

Very truly yours,

[Signature]

Malcolm Yeatts, Chair
Date: June 19, 2020
By John Nowell, Acting Surveyor of Travis County, Texas

To practice the profession of surveying, I hereby certify that this plat complies with Title 13 of the Austin City Code, 1991, as amended, is true and correct, and was prepared from an actual survey of the property made by me or under my supervision on the ground.
ORDINANCE NO. 000511-67

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP ACCOMPANYING CHAPTER 25-2 OF THE CITY CODE AS FOLLOWS:

AN 11.22 ACRE TRACT OF LAND OUT OF THE SANTIAGO DEL VALLE GRANT, FROM SINGLE FAMILY RESIDENCE STANDARD LOT (SF-2) DISTRICT TO GENERAL COMMERCIAL SERVICES-CONDITIONAL OVERLAY (CS-CO) COMBINING DISTRICT, LOCALLY KNOWN AS THE PROPERTY LOCATED IN THE 4500 BLOCK OF EAST BEN WHITE BOULEVARD, IN THE CITY OF AUSTIN, TRAVIS COUNTY, TEXAS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from Single Family Residence Standard Lot (SF-2) district to General Commercial Services-Conditional Overlay (CS-CO) combining district on the property described in File C14-99-2108, as follows:

An 11.22 acre tract of land out of the Santiago Del Valle Grant, in Travis County, Texas, the tract of land being more particularly described by metes and bounds in Exhibit “A” incorporated into this ordinance, (the “Property”)

locally known as the property located in the 4500 block of East Ben White Boulevard, in the City of Austin, Travis County, Texas, and as more particularly identified in the map attached as Exhibit “B”.

PART 2. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

1. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively with all existing or previously authorized development and uses, generate traffic that exceeds 2,000 trips per day.
2. The following uses of the Property are prohibited:

Agricultural Sales and Service
Automotive Rentals
Automotive Repair Services
Automotive Sales
Automotive Washing (of any type)
Campground
Commercial Blood Plasma Center
Commercial Off-Street Parking

Recommend Approval for Zoning Change? □ Yes ✗ No

Supporting Information for Zoning Recommendations

AFD recommends this Zoning Change be denied. The applicant is requesting a Zoning Change (ZC) approval to CS-MU-NP and develop the parcel for approximately 280 dwelling/sleeping units in apartment buildings. The parcel is well within the Protective Action Distance (PAD) for a Toxic and Corrosive liquefied compressed gas. The source for the PAD value is the 2016 Emergency Response Guidebook prepared by the US Department of Transportation. The required 4,224 Ft. PAD is not met based on AFD’s analysis.
