Council Committee, Boards and Commission Action:

January 11, 2021 - Recommended by the Electric Utility Commission on a 9-0 vote, with Commissioner Stone off the dais and Commissioner Wray absent.

February 3, 2021 - Recommended by the Water and Wastewater Commission on a 9-0 vote, with Commissioner Williams off the dais.

Additional Backup Information:

These contracts will provide onsite COVID-19-related temperature testing and screening services at City facilities and will be available to all City departments that have a need for these services. The contractors will provide all personnel and equipment necessary to screen employees, visitors and delivery personnel. The City will seek reimbursement from the Federal Government for these services.

All responsive contractors will be awarded a contract, and contractors will be prioritized according to price-based rankings. City departments will place orders first with the lowest bidder. If the lowest bidder reaches capacity or is otherwise unable to accommodate City departments' requests, departments will place orders with the next lowest bidder.

Strategic Outcome(s):

Government that Works for All; Health and Environment; Safety.
