### **Additional Backup Information**

A request has been received for permanent subsurface encroachment within Edgewater right-of-way for two supply and two return lines for a septic system. The permanent subsurface encroachment is approximately 91 square feet and has an approximate volume of 183 cubic feet.

The total appraised value for the encroachment is \$4,983. A check in the amount of the appraised value has been submitted to the Development Service Department for processing upon approval of this encroachment request. In addition, the applicant has reimbursed the City for the cost of the appraisal and the cost of the notice requirements sent by certified mail, return receipt requested, to registered neighborhood associations whose boundaries include the area of proposed encroachment. No objections were received.

### **Strategic Outcome(s):**

Government that Works for All.
