Good morning,

Regarding the above noted Pubic Notice:

- 1. The certified mail delivery was made after the 10 day response period.
- 2. Not all owners at 70 Rainey were notified.

The noticing is appreciated. My only comment is to ask that the continued development of the Rainey District be mindful of ALL of the traffic mitigation proposals that have been bantered about.

When Rainey Street can come alive again, safe and efficient movement of vehicles must be well executed.
