Colleagues, we set this to be able to get into executive session to continue the conversation we had before. Um ... If there are no objections, I'm going to have us go straight over to executive session meeting. Um ... I anticipate this probably ending a little before noon or thereabouts, at which point I would come back out and end the city council meeting, unless the colleagues, unless you all want to further address the covid-19 related matters, which we put on the agenda, just in case there was someone that wanted to be able to continue in that vain.

[11:20:13 AM]
