wastewater line; 269 linear feet of 6-inch diameter wastewater line; including appurtenances. The construction of this relocation will be included in the TxDOT contract. TxDOT anticipates starting the utility relocation construction in the Summer of 2020.

Austin Water's existing water and wastewater lines are required to be adjusted to accommodate the proposed roadway improvements, and this agreement will allow those water and wastewater infrastructures in conflict to be adjusted. This project will bring together the efforts of TxDOT and Austin Water in the design and construction of the roadway improvements and utility adjustments to minimize impacts to the public and save costs.

The City of Austin has attempted to purchase the needed property at 7000 Convict Hill Road, Austin, Texas 78749. Negotiations have come to an impasse. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.

**Strategic Outcome(s):**

Mobility, Government that Works for All.
