ANALYSIS / ADDITIONAL INFORMATION: On June 11, 2020, the City Council directed the City Manager to explore options for reallocating positions and roles currently assigned to the Austin Police Department (APD). On August 12, 2020, the City Council approved the City's Fiscal Year 2020-2021 Budget (Ordinance 20200812-001), which transferred \$76.6 million from the Austin Police Department to the APD Decouple Fund and directed the City Manager to evaluate and recommend the transition of administrative functions from the APD Decouple Fund to other City Departments as appropriate. Pursuant to that direction and in alignment with the Reimagining Public Safety decoupling framework, this ordinance will amend the APD Decouple Fund, reducing the fund by \$33,106,503 in total, to transfer and appropriate funding to create the stand-alone Emergency Communications Department and reflect the reorganization of the APD Public Information Office and APD Human Resources Office to the Corporate Communications and Public Information Office and Corporate Human Resources Department. In addition, this ordinance will transfer the responsibilities, budgeted positions, and budgeted expenses of the APD Alarm Permitting Unit to the Development Services Department, APD Facility Maintenance to the Building Services Department, and APD Finance to the Financial Services Department.
