

1 **RESOLUTION NO.**

2 **WHEREAS**, the Austin Strategic Housing Blueprint’s permanent supportive
3 housing goal is too low and does not reflect the City Council’s priorities and
4 current community needs; and

5 **WHEREAS**, a community-led Homelessness Summit held between March 23 and
6 April 15, 2021 established the goal of housing over 3,000 people experiencing
7 homelessness in three years, including revamping our response system; providing
8 housing stabilization such as prevention, diversion and rapid exit; fully rehousing
9 across the spectrum of need; and specifically including the development of 1,000
10 units of permanent supportive housing; **NOW, THEREFORE,**

11 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

12 The City Council directs the City Manager to amend the Austin Strategic
13 Housing Blueprint to reflect the following goals:

- 14 • Unlock 3,000+ Homes by 2024 through a collaboration between local
15 governments, businesses, and philanthropy with the goal of significantly
16 reducing Austin's unsheltered population. Such a collaboration would
17 rehouse those living in encampments equitably and set a course to reach
18 equilibrium on unsheltered homelessness in which the homelessness
19 response system has a rehousing intervention within 30 days for all persons
20 experiencing homelessness.
 - 21 ○ Secure 2,300 rental units in the market using landlord incentives
 - 22 ○ Provide capital funds for at least 350 Permanent Supportive Housing
23 (PSH) units per year beginning in FY2022
