

Recommendation for Action

File #: 21-2094, **Agenda Item #:** 65.

5/20/2021

Posting Language

Approve a resolution initiating amendments to City Code Chapter 25-9 (Water and Wastewater) related to implementing Water Forward, initiating an ordinance waiving certain process requirements under City Code Section 25-1-502, directing the City Manager to provide recommendations to mitigate the new building requirement impacts to affordability, and directing the City Manager to address the increased need for flood protection through implementation and assessment of Water Forward strategies.

Lead Department

Austin Water Oversight Committee.

Council Committee, Boards and Commission Action:

May 13, 2021 - Recommended by the Austin Water Utility Oversight Committee 4-0-1 with Council Member Ellis abstaining.
