Council Committee, Boards and Commission Action:

February 12, 2020 - Recommended by the Water & Wastewater Commission on Commissioner Castleberry's motion and Commissioner Turrieta's second on a 7-0 vote. Commissioners Ho, Michel and Schmitt were absent, and Commissioner Parton was off the dais.

Additional Backup Information:

This project is for the relocation and adjustments of existing water and wastewater lines and appurtenances in conflict with the Texas Department of Transportation (TxDOT) Oak Hill Parkway project, located at the convergence of US Highway 290 and US Highway 71.

The work consists of relocating approximately 561 linear feet of 30-inch diameter water line, 2,712 linear feet of 24-inch diameter water line, 23,904 linear feet of 16-inch diameter water line, 5,954 linear feet of 12-inch

diameter water line, 908 linear feet of 8-inch diameter water line, 4,987 linear feet of 36-inch diameter wastewater line, 66 linear feet of 30-inch diameter wastewater line, 110 linear feet of 18-inch diameter wastewater line, 200 linear feet of 15-inch diameter wastewater line, 6,674 linear feet of 8-inch diameter wastewater line, 269 linear feet of 6-inch diameter wastewater line, including appurtenances. The construction of this relocation will be included in the TxDOT contract. TxDOT anticipates starting the utility relocation construction in the Summer of 2020.

Austin Water's existing water and wastewater lines are required to be adjusted to accommodate the proposed roadway improvements, and the agreement with TxDOT will allow those water and wastewater infrastructures in conflict to be adjusted. This project will bring together the efforts of TxDOT and Austin Water in the design and construction of the roadway improvements and utility adjustments to minimize impacts to the public and save costs.

The City of Austin has attempted to purchase the needed property at 7401 West U.S. Highway 290, Austin, Texas 78749. Negotiations have come to an impasse. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.

Strategic Outcome(s):

Government that Works for All.
