### **For More Information:**

Inquiries should be directed to the City Manager's Agenda Office, at 512-974-2991 or [AgendaOffice@austintexas.gov](mailto:AgendaOffice@austintexas.gov) <<mailto:AgendaOffice@austintexas.gov>> or to Marian Moore, at 512-974-2062 or [Marian.Moore@austintexas.gov](mailto:Marian.Moore@austintexas.gov) <<mailto:Marian.Moore@austintexas.gov>>.

### **Additional Backup Information:**

The contract is for the purchase of a TrakkaBeam® TLX Searchlight for the Austin Police Department's Air Support Unit. This equipment will replace the existing searchlight, which has reached the end of its useful life. The new equipment is brighter, weighs less, and has a lower profile, providing less drag to the aircraft. These features will make operating the aircraft safer and provide increased efficiency with anticipated savings on fuel cost.

The United States General Services Administration cooperative program establishes competitively bid contracts that can be utilized by other government agencies through a cooperative agreement. Cooperative agreements save taxpayer dollars by leveraging volume-buying power to drive down costs on hundreds of contracts through a streamlined cooperative purchasing program. The vendor is certified as a Historically Underutilized Business Zone vendor and Woman Owned Small Business vendor by the U.S. Small Business

Administration.

If the City is unable to complete this purchase, the Air Support Unit will have limited options for maintenance and repairs of the obsolete searchlight.

**Strategic Outcome(s):**

Safety.
