**WHEREAS**, the City has attempted to purchase those needed real property  
sts, but has been unable to agree with the owner on the value of the property  
st, or the damages, if any; **NOW, THEREFORE**,

The City Attorney, or other authorized designee, is hereby authorized and directed to file, or cause to be filed, a suit in eminent domain on behalf of the City against the owner now having, or who may acquire, an interest in the real property interests necessary to the City, described below, for the public uses set out below, and to take whatever other action may be deemed appropriate to effect the necessary acquisitions.

The City Attorney, or other authorized designee, shall file eminent domain proceedings for:

Owners: Karlin Tracor Lane, LLC, a Delaware limited liability company

Project: Crosstown Tunnel Centralized Odor Control Facility Project

24           Public Use:           To construct an Odor Control Facility. A Fee Simple  
25                                   Interest is necessary to construct, operate, and maintain the  
26                                   Facility in, upon and across, the tract of land as described  
27                                   in "Exhibit A,"

28  
29                                   A Drainage and Access Easement is necessary to  
30                                   construct, operate, maintain, repair, replace, and upgrade a  
31                                   drainage channel and related facilities in, upon and across  
32                                   and an easement to construct, use, maintain and replace a  
33                                   controlled accessway in, over, upon, and access the tract  
34                                   of land as described in "Exhibit B,"

35  
36           Location:           6801 FM 969, Austin, Texas 78724

37  
38                                   The general route of the project is Crosstown Tunnel  
39                                   Centralized Odor Control Facility is approximately 0.5  
40                                   miles due East of the US 183 and FM 969 highway  
41                                   intersection. The facility is proposed to be located on the  
42                                   South side of FM 969, in Travis County, Texas. (District  
43                                   1)

44  
45  
46           Property:           Described in the attached and incorporated  
47                                   Exhibits A and B.
