

MEMORANDUM

TO: Mayor and Council

FROM: Brie L. Franco, Intergovernmental Relations Officer

DATE: June 29, 2021

SUBJECT: Response to City Council Resolution 20200206-054

Council passed Resolution No. 20200206-054 supporting the 2020 Cities Agenda created by the National League of Cities (NLC).

Due to COVID 19, NLC did not create an agenda. NLC did, however, provide a series of transition memos to President Biden's Administration and various federal agencies that detailed the set of federal priorities, tools and shared values to strengthen intergovernmental partnership.
