May 17, 2021 - Arts Commission unanimously approved the selection process recommendation for the North Lamar Boulevard Corridor Construction Program (NoLa C3), AIPP Project, naming Nicholas Brian Schnitzer (with Vy Ngo) as the selected artist team and Jamie Spinello as the alternate artist for the \$85,000 commission. The item passed on consent. (Motion by Commissioner Flores, second by Commissioner Zisman; approved 9-0-0, Commissioner Barnes absent).

### **Additional Backup Information:**

AIPP sought to commission a local professional visual artist to design, fabricate and install artwork for two Corridor Construction Program North Lamar Boulevard Improvements AIPP Projects. Corridor Construction projects are funded by the 2016 Mobility Bond. The total artist budget for each project is \$85,000, inclusive of all costs to complete the project including design, engineering, insurance, fabrication, transportation, and installation of the completed artwork. The goal of the two projects is to commission an Austin-based artist or artist team per project who will, in collaboration with City staff and community stakeholders, design artwork that highlights and celebrates the culture of the communities that now call North Lamar Boulevard home. The artist is also asked to design artwork that encourages the participation of families and youth and supports the vitality of the small business community and cultural venues. The artwork should integrate seamlessly into the construction of the corridor and be made from durable and low maintenance materials while adding to the depth and breadth of the City of Austin's public art collection.

This public art opportunity was open to local Austin artists previously selected for AIPP's Corridor Construction Program Artist Pool. Artists selected for AIPP's Corridor Artist Pool are at least 18 years of age; and live and

work in Williamson, Travis, Bastrop, Caldwell, Hays, Burnet and Blanco counties. The Corridor Artist Pool is a tool for artist selection, streamlining artists' application time and effort by allowing Corridor Artist Pool artists to apply once in order to be considered for multiple public art commissions. The Pool also allows community members to vote in the selection of the artist who will create art for their community. Artists in AIPP's Corridor Artist Pool remain eligible for Corridor Construction Program AIPP Project opportunities until Corridor construction projects are complete (scheduled for 2024).

**Corridor Construction Program Artist Pool Jury:**

- Marsha Dorsey-Outlaw, Artist in Education, Texas Commission on the Arts, First Artist in Residence, Education Department, Museum of Fine Arts Houston
