Additional Backup Information

The Estancia Hill Country project (approximately 600 acres) is located in southern Travis County west of IH 35 South and approximately eight tenths of a mile south of the intersection of IH 35 South and Onion Creek Parkway. This area is currently in the city's limited purpose jurisdiction. This area is

currently under development and the developer's plans for this site include a mixed-use project with residential and commercial land uses.

The Estancia Hill Country Public Improvement District (PID) provides a financing mechanism through the apportioning, levying, and collecting of PID assessments for the construction, ownership, and maintenance of certain improvements to support the planned community and for the issuance of bonds to finance certain improvements.

On June 20, 2013, Special Assessment Revenue Bonds, in the amount of \$12,590,000, were sold to finance these improvements. On December 13, 2018, Special Assessment Revenue Bonds, Series 2018 IA#1, in the amount of \$4,265,000, and Special Assessment Revenue Bonds, IA#2 Series 2018, in the amount of \$8,305,000 were sold. Assessments will be used to make the debt service payments on these bonds, fund required reserves and cover annual costs of administering the District.
