- Basis of bearings is the Texas Coordinate System of 1983, Central Zone 4203. All coordinates and distances are U.S. survey feet, shown in Surface values and may be converted to Grid using the surface adjustment factor of 1.00012. Vertical datum is based on NAV88, Geoid 12A.**
- The surveyor has relied on Fidelity National Title Insurance Company to provide copies of recorded deeds, plats or other instruments describing the subject property and adjoining tracts, used to support the determination of the location of the intended boundaries of the land surveyed.**
- The recorded easements, setbacks and encumbrances shown hereon are from Schedule B of the commitment for title insurance issued by Fidelity National Insurance Company, GF No. 2810010207, effective date February 16, 2018, issue date February 28, 2018. The surveyor has relied upon the accuracy and completeness of the information described above and has made no independent investigation or search for this information.**
- The utility appurtenances shown hereon include those visible at the time of the survey and those located by Texas 811 as of May 2015 and are for general locative purposes only. In providing this boundary survey, no attempt has been made to obtain or show data concerning existence, size, depth, condition, capacity or location of any utility existing on or adjacent to the site, whether private, municipal or public owned.**
- By scaling the surveyed tract onto the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) No. 48453C0585H, effective date January 2016, the subject property is in ZONE X (unshaded).**
ZONE X (unshaded), defined as areas determined to be outside the 0.2% annual chance floodplain.
- No evidence of recent earth moving work, building construction, or building additions was observed in the process of conducting the fieldwork.**
- Changes in R.O.W. will be affected by subject tract being conveyed. R.O.W changes have been noted on survey.**
- The above referenced title commitment lists the following easements, restrictive covenants, mineral or other rights, or other encumbrances in connection with the property surveyed and have been addressed by the surveyor hereon:**
- The following matters and all terms of the document creating or offering evidence of the matters (We must insert matters or delete this exception):**
The Following Matters Affect Subject Tract:
- Interest in and to oil, gas and other minerals and/or royalties, bonuses, rentals and all other rights relating thereto as set forth in the document recorded in Volume 3250, Page 2116, Deed Records of Travis County, Texas. Said mineral interest not traced subsequent to the date of the above-cited instrument: (DOES AFFECT)**
