Hello, Ms. Clark,

The Zilker Neighborhood Association requests that the City Council rezoning hearing for 2700 South Lamar, case C14-2020-0144, be postponed until September 30. We'd like an opportunity to research available local, state, and federal funding for affordable housing, and to discuss the terms of redevelopment exceptions and site-specific amendments to the SOS ordinance in connection with these properties. Thank you for your time.

Best regards,

Lorraine Atherton  
On behalf of the Zilker Neighborhood Association Zoning Committee
