

Motion Sheet

I move to amend item 48 v3, beginning at line 164:

BE IT FURTHER RESOLVED:

The City Manager is directed to review the prior work conducted by the Urban Renewal Agency and the joint Arts Commission and Music Commission recommendations set forth and submitted to Council in January 2020 as guidance, consider the current programs and capacity of the Austin Economic Development Corporation (AEDC) and collaborate and work with the Urban Renewal Agency to determine how to announce and initiate a solicitation for detailed plans and cost estimates, The URB or City Manager, for property within their respective ownership, may solicit possible participation from entities including the AEDC community-based nonprofits, private-sector, and creative industry professionals, regarding the holistic development of property, that may include but may not be limited to, city owned property or property owned by the Urban Renewal Board within the district, for a multi-story mixed-use development that can accommodate:
